What you should know...

- Chalet Calyra sleeps up to twelve guests, with accommodation designed for a maximum of eight adults and four children.
- The bunk bedroom contains two sets of bunk beds and is intended for the four child guests.
- Saint-Gervais centre is around a seven-minute drive away, so guests should not expect shops and restaurants immediately on the doorstep.
- The Saint-Gervais Le Bettex gondola is around 1.8km away, although a direct bus serves the lift and slope access can be much closer when snow conditions allow.
- During winter, guests should take extra care when accessing the outdoor jacuzzi, as snow and ice may make the surrounding terrace and pathways slippery.
- For summer bookings, air-conditioning is available in one bedroom near the living room and the three upstairs bedrooms, but not in the common areas; nevertheless, the chalet stays cool and is a very pleasant place to relax.
