What you should know...

- Apartment Roussora accommodates a maximum of four adults and two children, with the bunk room intended for the two younger guests.
- The sauna, hammam, fitness suite and sensorial showers are shared residence facilities rather than private to the apartment, and the residence facilities may not be available outside the ski season and peak summer season, so guests travelling at quieter times should check availability before arrival.
- Bedrooms 2 and 3 share the main bathroom, which has a bathtub
- Apartment Roussora is close to the slopes but is not ski-in/ski-out, so guests should expect a short walk with their equipment.
