Chalet Dolmite

Region: Dolomites **Sleeps:** 10

Overview

At the heart of the UNESCO-listed Dolomites, Chalet Dolmite is an extraordinary private chalet designed for those who want the mountains on their doorstep and refined comfort at their fingertips. Spread across three storeys, this 600 m² retreat sleeps up to ten guests in four beautifully appointed bedrooms, each with its own en-suite and picture windows framing the peaks. Upstairs, the vast living room, with its home cinema corner and striking fireplace, flows onto a 90 m² terrace where the Sassolungo dominates the skyline. The dining area, lined with full-height glass, sets the stage for memorable meals, while the sleek kitchen is fitted with professional-grade appliances.

The chalet's wellness area is a sanctuary in itself, with a whirlpool, sauna, steam bath, sensory showers, Zerobody Dry Float bed, and Technogym-equipped gym. A stylish leisure zone adds a billiard table, Oculus VR, and even a private bar with a curated wine selection. Outside, the 700 m² garden is a peaceful haven, featuring loungers, a multifunctional hydro pool, and even a babbling stream to complete the Alpine idyll. By night, soft garden lighting transforms the chalet into a mountain-side hideaway. Here, elegance and nature converge in perfect harmony.
