

Pavilions Pool Villa II

Region: Indonesia **Sleeps:** 4

Overview

A masterpiece of Balinese architecture and design, perfectly portraying its rich culture and history, Pavilions Pool Villa II is a delight for up to four guests, set amid magnificent tropical gardens!

The interiors exhibit a unique design and décor, with a signature blurring of the interior and exterior spaces, including a pavilion style lounge. The open-air pavilion features a set of two lovely sofas, bursting with plush cushions. Across the room there is a charming dining area, and the space is brimming with all the personal touches you'd expect from a luxurious boutique resort like The Pavilions Bali. Indeed, throughout the villa you will find artwork, and woven organic fibre furnishings, to fully immerse you in the local culture and traditions and guarantee your comfort.

There are two sumptuous bedrooms, one with two single beds and one with a huge king-size bed. Each is hung with stunning white drapes, inviting you to climb between the soft cotton sheets and draw them for a blissful sleep in paradise. Both rooms also feature fantastic large desks, perfect for a dressing table, or to pen a letter or a postcard home. An ensuite bathroom accompanies each bedroom, every bit as elegant and stylish as the living spaces, each with a deep, luxurious bathtub and an invigorating walk-in shower.

Out in the garden there is an immense, beautiful pool, tucked among the palm trees and exotic plants and flowers of this fragrant space. There are four loungers lined along the decking beside the pool, where you can sunbathe and snooze to your heart's content. As you calmly lay back and relax in the sun, all you'll hear will be the bird song and the rustle of the trees above you.

The Pavilions Bali resort is an exceptional choice for any guests in search of fine food, relaxation in the tranquil spa, enjoying yoga classes in the open air studio and kicking-back poolside indulging in a little casual snacking. On site you'll find our authentic Jahe Restaurant, featuring Indonesian specialties and international favourites, the pool bar and a multitude of unforgettable in-villa dining experiences! And what's more, each villa is served by our experienced, English speaking butlers who will serve in-villa breakfasts each day and arrange complimentary private transfers to our dedicated sun loungers on Sanur Beach, just 5 minutes away!
