

Blackdown Manor

Region: The South West **Sleeps:** 24

Overview

Blackdown Manor, an expansive country home in Somerset, boasts the best of the outdoors. On 22 acres of landscaped woodland, with a stone house that sleeps 14 and a cottage that sleeps 10, this marvellous property is ideal for a holiday with the entire family.

Built in the 1800s for a gentleman JP, this manor is near Culmhead on the Blackdown Hills. Explore their beautiful ridges and valleys, or stay within the estate. The spectacular grounds lend themselves to a range of country pursuits, including archery, croquet and clay shooting. A two-acre spring fed lake has excellent fishing, and you can swim in a heated outdoor pool or relax in the hot tub.

For those who want to explore further afield, there's beautiful walks in the Blackdown and Quantock Hills nearby, horseback riding and golf. A little further, enjoy the shingle beach at Branscombe or the surfing and sand at Saunton Sands. In the mood for entertainment at home? We can arrange masseurs, musicians, even a casino night or murder mystery. For foodies, the delicious Merry Harriers Pub is 5 minutes away.

Blackdown Manor is off the M5 motorway and close to Taunton railway station.

Location & Local Information

The options are virtually endless, but here are some of the more popular activities.

Massage: Just the thing to soothe away stress! The masseurs come to the house for a minimum of 3 hours, for either hour or half hour treatments.

Archery, laser clay, pistol and clay shooting can be arranged in the grounds, ideal if you are short of time or don't fancy driving further afield.

If you don't mind a scenic drive down to Exmoor, there is nothing more exhilarating than Horse Riding on the hills. This can be combined with Fly Fishing tuition and Clay Shooting as all three are quite near each other.

On the entertainment front, casino night is very popular (strictly for fun, the house does not have a gaming licence!). The manor can also arrange a murder mystery or you can choose from a wide range of musicians, from a pianist to a ceilidh or from Blue Grass to dinner jazz and anything in between.

A newly converted coach house now provides a fabulous indoor space for table tennis, table football and snooker.

Cooking skills: let chefs work with you and have a fun experience producing a meal for yourselves – the Thai course is very popular.

Golf: Oliver's VIP Concierge Team can direct you to excellent parkland, championship and links courses all within 5-10 miles of the property.

Walking: Whether you want a gentle stroll, or a more energetic hike up a hillside, there is something for everyone, (mostly with a pub along the way!) there are maps and guided walks at the houses.

Quantock Hills, home and inspiration to the writers Wordsworth and Coleridge and home for the oldest breed of wild pony. Glorious for walking, especially down Dead Woman's Ditch!

The Blackdown Hills, an Area of Outstanding Natural Beauty and the West Country's best kept secret.

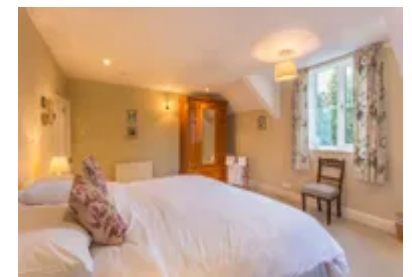

Exmoor, including Lorna Doone country, are Tarr Steps are all beautiful areas to explore.

Surfing: Oliver's VIP Concierge Team can direct you to great spots or arrange excellent private tuition for your group, including all equipment.

Branscombe Beach, on the south coast near Lyme Regis, is a romantic, wonderful, shingle beach. Early summers evening barbecues on the beach are also highly recommended!

Saunton Sands; near Barnstaple, north Devon, is a two mile stretch of lovely, soft, sandy beach. Around the corner is the popular surfing beach Croyde Bay and Woolacombe Sand. Roads around this area can get busy in the peak summer months.

What we love

- Challenge each other to table tennis, table football or snooker in the games room with its remarkable cathedral ceiling.
- After a swim in the pool or a dip in the hot tub, pick cider apples in the orchard and cook a delicious crumble.
- This holiday home's extensive dining room table seats 24, so there's room for everyone.

What you should know...

- There are two lakes and a swimming pool that are not fenced off, so children need to be carefully supervised.
- Those with certain mobile phone providers may experience weak reception, however there is Wi-Fi for checking emails!
- There's no wheelchair access.
