Overview

Villa Alivia is a contemporary gem sitting high in the hills above Omis. It boasts five gorgeous bedroom suites, luxurious open-plan living space, a superb swimming pool with a jacuzzi, stunning terraces and some excellent play equipment for the young ones.

There is a beautiful walking trail to the highest summit of the Omiska Dinara hills named Kula. Beautiful beaches are within easy reach, and the fabulous Cetina River is nearby. Omis is located 25km south of Split on Croatia's dramatic Dalmatian coast. Omis was once a famous pirate town. The town's excellent seamen navigated the Adriatic sea, keeping it wealthy, and in the late 12th century, fortified walls were built to protect it from invaders. The Omis Riviera scenery is incredibly dramatic, with sharp, jagged mountains, gorges, and dazzling turquoise waters. Omis is brimming with ancient buildings and churches. Tourists enjoy visiting the 13th-century Fortress Mirabella and 15th-century Fortress Starigrad, otherwise known as Fortica Fortress, silent reminders of the power and might of the infamous Omis pirates. St Michael's Square is sprinkled with charming cafes, bars and restaurants. The town enjoys a fabulous reputation for its gastronomy and delicious wines.

Villa Alivia is beautifully designed. It is trendy, super cool and very tranquil in this secluded setting. There are five parking spaces for guests, and the villa offers luxurious modern spaces ideal for a large family or groups of friends. There is a smart television in every room and Playstation 5 in the living room for entertainment.

The villa's open-plan living spaces are located on the

ground floor. The living area is beautifully furnished with a plush velvet corner sofa and vibrant accent chairs, which enjoy superb sea views and are positioned perfectly for the large television. Also enjoying excellent views is the smart dining space for ten which sits next to the very stylish chef's dream of a kitchen. Here you will find top-of-the-range appliances, including a large fridge freezer with an ice maker and a DeLonghi coffee bean machine. This is a wonderfully sociable space where the chef in your group can have lots of company. One of the five double bedrooms is also located on the ground floor, a gorgeous room with a sumptuous kingsize bed, an immaculate ensuite shower room, access to the pool deck and fabulous sea views. A separate toilet is also here.

The first floor is home to three bedrooms, and the master sits proudly on the second floor. All three bedrooms on the first floor enjoy breathtaking sea views and a huge open terrace where you can relax on trendy alfresco lounge furniture. Each bedroom offers a quality kingsize bed adorned with crisp cottons, exquisite soft furnishings, and a sleek ensuite shower room with striking designs. A useful laundry room sits alongside these rooms with a washing machine, dryer and ironing facilities. Two bedrooms share one terrace, and the other enjoys its own covered terrace. The master is huge with a comfy kingsize bed, a striking feature wall, a stylish ensuite shower room and a big terrace with breathtaking views of the islands and the Adriatic Sea. It is a brilliant spot for your early morning cup of coffee or a chilled glass of local wine while you prepare for your evening.

The villa's outside space has been imaginatively designed for every age group. Children enjoy a little playground with a playhouse, tables and chairs and other toys, plus a table tennis table. The 9m x 4m heated swimming pool offers a pampering massage and looks out to the sea through glass safety panels. The sun deck is planted with towering palm trees, and there is an excellent array of loungers and other outdoor furniture.
