

Manoir Belle Epoque

Region: Languedoc **Sleeps:** 18

Overview

Manoir Belle Époque is a beautiful Maison de Maître originally built in the 1830s by a wealthy wine and brandy producer, as a symbol of his affluence during this opulent era.

It is now lovingly restored and decorated by its owners, talented interior designers who have turned it into a large, boutique-style modern home with plenty of original character, perfect for multi-generational families and groups of friends.

The position is semi-rural but on the edge of a lively village surrounded by sunflowers and vineyards, with a grocery shop, bakers, butchers, bar, pizza restaurant, post office and pharmacy – all just a 5-minute walk away. There is even a park with children's' slides and swings, all within pram pushing distance!

Just a 5-minute drive away is the Canal du Midi at Ventenac, with its good choice of restaurants and within easy reach are Lezignan-Corbieres and the Cathedral City of Narbonne and its high quality sandy beaches beyond. Carcassonne is just 45 minutes away.

In keeping with the Belle Époque and this villa's origins, this lovely home is designed for chilled out and good times for all, with a hint of elegant grandeur from times passed. A grand curved staircase and balustrade onto the front balcony and terrace compliment the indoor marble staircase and grand dining room.

A games room and 'honesty wine cellar' stocked with Languedoc wines, and a large garden full of fruit trees, hammocks, shady terraces and a big pool, keep everyone happy. There is even a fenced in shallow brook with small fish through the back garden, where you can try your luck with a line and hook or bucket.

Furthermore, guests will benefit from a fantastic cinema room for Netflix and sporting events with comfy sofas and even a fridge to chill your wine, plus complimentary air-conditioning can be requested in the grand dining room, the perfect spot for family feasts. A fun and exciting covered courtyard has also been created for al-fresco dining in style, named by the owners as the 'Winemakers Barn, Barbecue and Champagne Bar'!

Manoir Belle Époque will delight the senses and provide an idyllic location for a relaxing multi-generational holiday in the Languedoc.

Location & Local Information

Manoir Belle Epoque sits in a picturesque village nestled amongst the charming vineyards and sunflowers of the department of Aude in the heart of Languedoc. Here you will find boulangeries, butchers, a small grocery shop, a bar, pizzeria restaurant, post office, pharmacy, doctor's surgery, a park with children play area and even a vegetable market every Friday and Sunday mornings. Larger supermarkets are located in Lézignan Corbières (13km). In Ventenac there is a Wine Cave, perfect for getting to know the fabulous wines of the region.

The Canal du Midi is a few minutes' drive away. It offers some delicious restaurants and is a very popular area for outdoor activities lovers, with plenty of walking, biking and boat hiring options.

The imposing Corbières mountains where one can visit the fascinating Cathar castles, can be reached in just 10 minutes. Furthermore, the Mediterranean coast is a half hour journey, offering easy access to the beautiful beaches in Gruissan and Narbonne. When the beaches are too crowded, why not head to Homps and take a dip into the lake? It is a family-friendly option well serviced with a café, life guard and plenty of free parking.

Gruissan also has a pretty old town and a modern marina with a good choice of places to eat and drink. In Narbonne, the closest large town (15mins) and classified as a UNESCO World Heritage Site, one can take a stroll down its beautiful 'promenade', visit museums, explore its sparkling market place and relax in one of the many cafes and restaurants.

In 45 minutes you can reach the fortified town of Carcassonne, also a UNESCO World Heritage site. Deeply steeped in history, it is a lively citadel where myriads of events and festivals take place throughout the year.

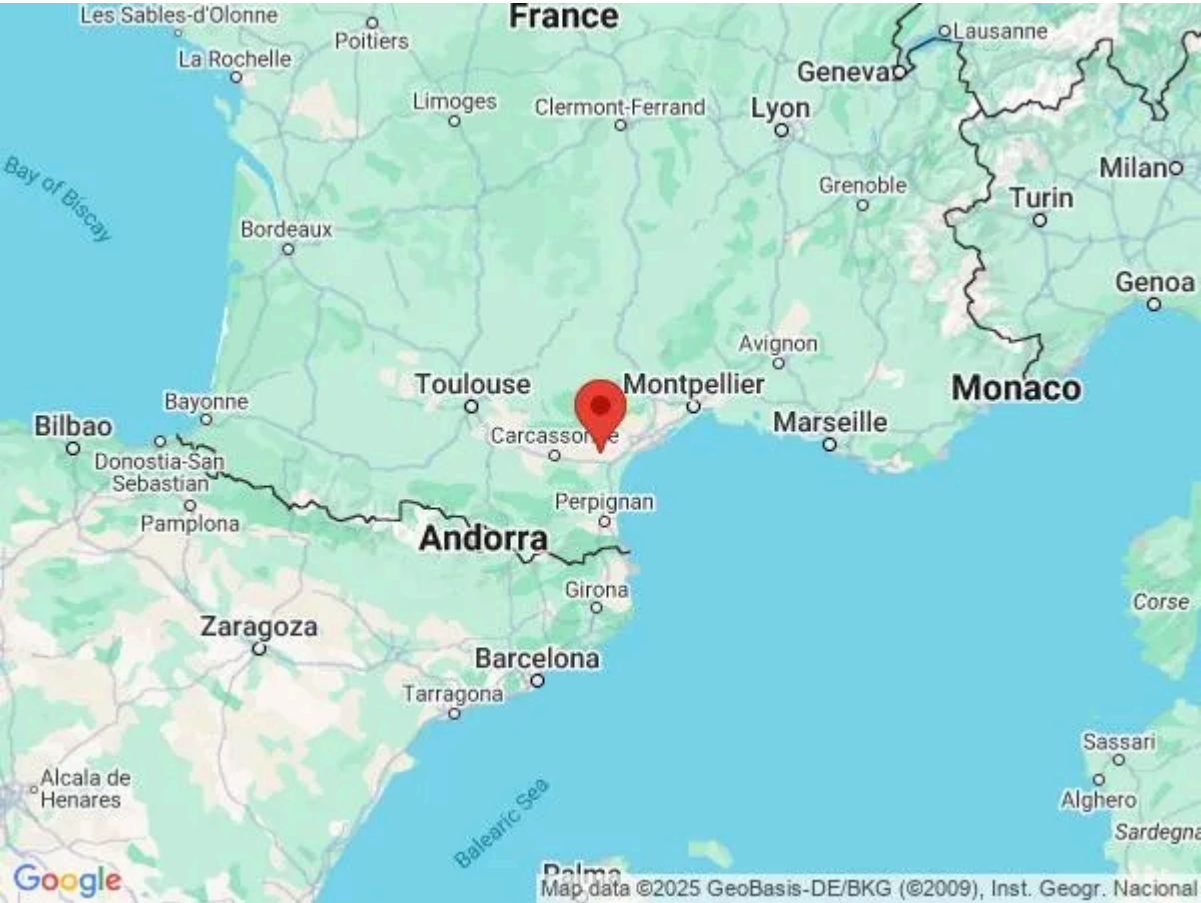

A bit further afield is Pezenas, (about 1hr) a gorgeous medieval town with a wide selection of traditional shops, bars, restaurants and a Saturday market selling fresh local produce and clothing. In the Cote de Vermillon, we recommend visiting Collioure, nestled in a little cove and a paradise for art lovers.

Furthermore, bear in mind that the Spanish border is only about an hour and a half away: Figueras and Cadaques are just two examples of coastal villages making for fabulous day trips out!

Finally, the property is served by several airports: Carcassonne, Beziers, Perpignan, Toulouse, Nimes or Montpellier
