Overview

Nestled along the seaside among a luxuriant garden sits Villa Lungomare, a contemporary villa with panoramic sea views - it's the perfect place to call home during a visit to Sicily.

This villa can accommodate up to 18 guests spread over two villas, both of which overlook the water and the villa's large private swimming pool. It's an ideal spot for those travelling as a big group since each home is independent. There are nine bedrooms across each space, varying in size but all offering a spacious and airy place to get a restful slumber. As with the rest of the home the bedrooms have a contemporary finish with unique artwork, cushions and rugs, all giving a colourful finishing touch. There are 10 bathrooms in the villa, so don't worry about arguments over the shower in the morning!

Guests can all relax and put their feet up in the villas main living area, which boasts floor to ceiling windows and doors opening out to the balcony and also the private pool. This area has stunning vistas over the water. It's an idyllic place to relax or to have a film night. There's also a smaller living area upstairs, great for kids wanting to play or watch television.

The well-equipped kitchen has everything you could need to create a tasty feast, including a dishwasher, espresso machine, electric oven, electric and gas hob, ice maker, microwave, and toaster. Meals can be savoured on one of the dining tables, either in the kitchen or in the living area. There's also a large dining table outside so guests can dine al fresco and enjoy a meal together while sharing tales of the day.

The second home has a smaller open plan living, dining and kitchen area that is ideal for a small family or any

guests seeking some independence. The small, but well-equipped kitchen has everything you need to cook up a feast. Quirky chairs add something special to this area while floor to ceiling doors and windows welcome in the sun and breeze - while giving direct access to the terrace and pool.

If you are a bit of a fitness fiend, you can continue your workout plan in the villa's fitness centre complete with a treadmill, cross-trainer and yoga ball.

As you take a step outside you will never want to leave; the sea breeze brushing past, the sound of the waves crashing below and the sun glistening on the water and your private pool. Bliss! Relax outside on the sun loungers poolside, and take a dip when you heat up. If you want to seek respite from the sun, head to the covered gazebo or terrace and get comfy with a good book.

This villa is located in the quaint seaside resort of Marina di Modica, which is a 30-minute mostly flat walk (or a 10-minute drive) away. It's an area with a lot of untouched beauty, and it has yet to be taken over by tourists. Here guests will find restaurants, bars, ice cream parlours and supermarkets.
