Location & Local Information

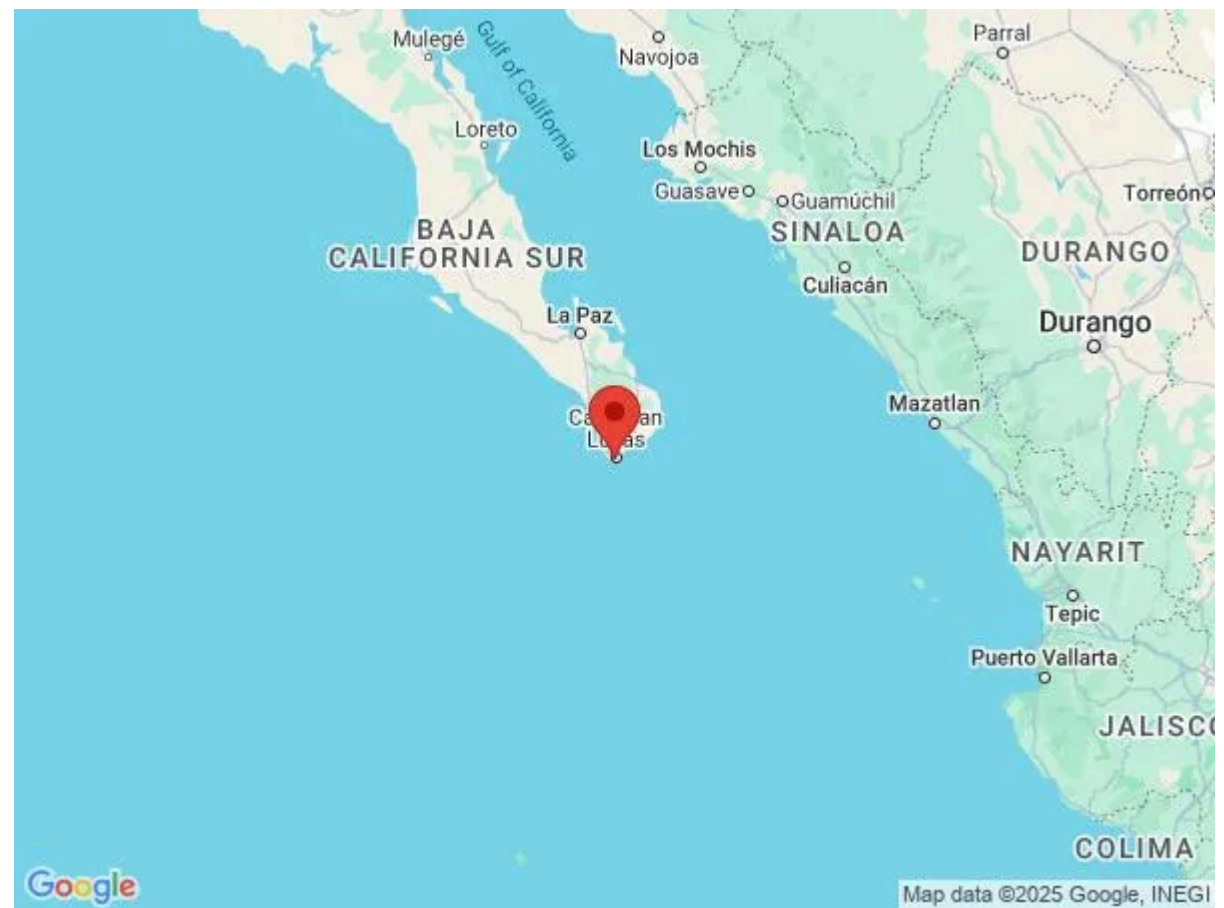

Casa Cielo is located on the prestigious Pedregal estate, on the outskirts of the popular A-list resort of Cabo San Lucas. Cabo has it all, with serene azure waters, dazzling white sandy beaches, a spectacular, dramatic coastline, a vibrant party scene, an impressive dining scene and an endless list of activities. The Pedregal estate is smart, beautiful and offers excellent privacy as well as tennis and other facilities.

Cabo San Lucas is located at the most southern point of Mexico's beautiful Baja California peninsula. Sailing and water sports are extremely popular, as are famous whale watching trips and visits to the alluring coves and rock formations, especially the famous sight known as El Arco or The Arch. Visitors can escape the crowds and see Cabo from a completely different perspective, seated on top of a camel in the Desert Park Natural Reserve. You will learn about the local flora, fauna and culture from your guide before tasting delicious tequilas and tortillas.

There are many boat trips available from Cabo including glass-bottomed boats, catamarans for sunset sailing and nippy speedboats that whizz out to the Pacific Ocean on humpback whale and dolphin spotting trips. You can even take a whale 'concert' trip where the crew drop a hydrophone which picks up the songs of the humpbacks, a loud, complex series of sounds repeated over and over. What a wonderful holiday memory!

The Cabos beaches offer watersports including jet-skiing, banana boating, snorkeling, kayaking, parasailing, kitesurfing and diving as well as colourful beach bars and restaurants. Two of the favourite beaches are Lovers Beach and Divorce Beach. Visitors can also enjoy horse riding and golf. Cabo is also now a big-time golf destination with more than a dozen championship courses offering a unique desert-meets-the-sea setting.

Cabo San Lucas offers an excellent, vibrant nightlife with exotic, colourful bars and delicious seafood restaurants. The region's cuisine has established an impressive

international reputation and although the seafood is extremely popular, you will also enjoy a variety of international foods including delicious Mexican tacos and tortillas.

The charming, quaint resort of San Jose del Cabo is 30 minutes away. Visitors enjoy its lovely pastel painted square and cosy taco restaurants. East Cape Beach is just a little further on. It is one of the most unique and dramatic beaches in the region, bordered by desert trails, criss-crossed by quad biking routes.
