Located on the southern coast of Mexico's stunning Baja California Peninsula, Cabo San Lucas is a vibrant, entertaining resort drawing celebrities from around the world. It is perfect for those looking for stunning landscapes and seascapes, world class golf courses, sensational, serene azure waters, dazzling white sandy beaches and impressive gastronomy. It also offers a dazzling nightlife and an endless list of activities. Cabo's world-class marina offers an excellent range of boat trips for whale-watching, fishing and sunset watching. Visitors can enjoy relaxing cruises on the serene, azure Sea of Cortez, discovering enchanting coves and stunning rock formations including the famous sight known as El Arco or The Arch. La Isla Pelicano offers a wonderful scenic cruise, a perfect mix of luxury and adventure. You will explore the sensational coastline, Lover's Beach and The Arch dropping anchor off Pelican Rock to snorkel around hundreds of colourful tropical fish. This trip is like being on a posh beach club on the water. Fishing is immensely popular with Cabo being known as the 'Marlin Capital of the World' for its abundance of striped black and blue marlin. Cabo's wild nightlife includes tequila shots and frenzied conga lines. The area's delicious cuisine includes seafood, a variety of international foods and authentic Mexican tacos and tortillas. Cabo also has a fantastic reputation for its wellness spas. Visitors enjoy meeting dolphins, other animals, whale-watching and taking camel rides through the Desert Park Natural Reserve. There are two excellent dolphin facilities, one at the marina and the other in San Jose del Cabo. Visitors have the opportunity of swimming and playing with the Pacific Bottlenose dolphins. The beaches are spectacular, some a little wild with powerful rollers and others offer an excellent choice of watersports including jet-skiing, banana boating, snorkeling, kayaking, parasailing, kitesurfing and diving.

Golfers will be delighted with the 18 championship courses between Cabo San Lucas and San Jose del Cabo. They offer a unique desert-meets-the-sea setting. Golfers can tee it up on outstanding courses built by design legends such as Jack Nicklaus, Tom Fazio, Greg Norman, Tom Weiskopf and Robert Trent Jones Jr. Los Cabos dominates the golf scene in Latin Amerca. In 1992 the 18 hole Palmilla course designed by Jack Nicklaus opened, Los Cabos’ original true resort course. It has since expanded to a 27 hole course and Nicklaus went on to craft another of the great courses in the area, Cabo del Sol’s Ocean Course. It is in the world’s top 100 courses and during the winter months golfers enjoy spotting grey whales on the horizon.

Half and hour away, the laid back, colonial gem of San Jose del Cabo is full of the magic of Old Baja with a rich and colourful history dating back to the 1700’s. For hundreds of years San Jose del Cabo was home to Indian communities with its natural fresh water oasis flowing into the beautiful palm-lined lagoons on the edge of the sea. Then followed colonization by the Spanish. It boasts a splendid Spanish colonial character with an abundance of Mexican charm. The town enjoys secret courtyards, boutique shopping, a beautiful church, wonderful art galleries and a fabulous gourmet dining scene. The main plaza connects the characterful streets and is wonderful for a stroll, browsing in the galleries and jewellery design shops. There are many atmospheric restaurants, colourful cocktail bars and craft breweries. The main season sees a wonderful Thursday evening Art Walk when the plaza is alive with artists and their works, wine tastings and music and dance performances.
