Location & Local Information

Casa Alta Vista is located in Playa Del Carmen, on the Yucatan Peninsula in an area known as the Riviera Maya. The area is known for its palm-lined beaches and coral reefs, and guests here can enjoy a plethora of water sports including scuba diving, swimming, and kayaking to name but a few. The crystal clear waters and huge variety of colourful marine life, such as needlefish, rays, and turtles mean that snorkelling is a popular pastime here, and with the reefs being so close to the shore and the waters being so calm, it is an activity that all members of the family can enjoy.

Another huge benefit of staying in Playa Del Carmen is its close proximity to other areas that are well worth visiting during your stay, such as Tulum. Home to the famous 1,000 year old Mayan ruins, Tulum offers visitors a more laid-back boho vibe, with plenty of yoga retreats, vegan restaurants and juice bars to enjoy. Cycling is very popular here, and you'll find no shortage of bicycle hire places that can cater to the whole family. It is worth setting a day aside to visit the ruins; a beautiful location for those who are a slave to instagram or for the photographers among you, as well as a great place to spot the iguanas who are native to the area and spend their days basking in the hot Mexican sun.

- The Villa is just 12 minutes walk from Playa Del Carmen's famous 5th Avenue which is full of shops, restaurants, bars and clubs

What you should know...

- A number of the bedrooms are set up as family suites with multiple beds, ideal for those travelling with young children but less suited to a group of couples
- Casa Alta Vista does not have a beachfront position however the beach is just a 2 minute walk away!
- Please note that you will need to select 16 guests should you wish to have access to all 8 bedrooms. Those selecting fewer guests will only have access to a prorated number of bedrooms based on 2 guests per room.
