Overview

Tucked away in the heart of the authentic and lively Marrakech Medina, Riad Medina is a refined, luxurious haven of serenity and harmony, a perfect retreat to relax and indulge in superior surroundings. Riad Medina will enchant and enthral you. The owners bought the riad in 2001 and later, in 2008, they bought two adjoining houses to link the riad to a stunning douiria and a beautiful terrace and swimming pool, unusual in Marrakech. With the talents and mastery of a fantastic architect, the riad preserves the genuine charm and authenticity of a traditional Marrakech building, blending Arab-Andalusian architecture with contemporary, comfortable delights.

The riad is comprised of 4 exquisite junior suites in the main riad, cosy and intimate salons, a traditional hammam and massage room, superb, welcoming roof terraces overlooking the medina and the ravishing douiria with two delightful bedroom suites, private terrace and lounge and the swimming pool and terrace. The riad follows the traditional plan of medina houses with the four suites on the ground and first floors and the sitting room and dining room all arranged around a shaded patio planted with palm trees and boasting a 'sekaia', a plunge pool with a fountain.

The atmosphere is idyllic, perfect for a sip of mint tea or an intimate dinner by candlelight. The magical Patio Suite is on the ground floor with a large ottoman bath. The Glaoui 'honeymoon' suite is on the first floor with its own staircase as are the Fez and Mogodor Suites which can be interconnecting. The Mogodor Suite boasts an amazing open-air bathroom. Every suite is eye-catching, charming and supremely comfortable.

With the majestic Atlas Mountains on the horizon and the sounds of the vibrant medina and the call of the muezzin at the time of prayer, the roof terrace is absolutely magical. It is the perfect spot for pre-dinner drinks. On return from the enchanting souks, you can indulge in some fantastic treatments, enjoy refreshments or find a cosy corner to read or chat.

Sumptuous breakfasts are prepared by the riad's talented cook Rachida. You can also request delicious lunches and dinners. Tajines, Moroccan pastries, Moroccan spices and delicious caramels can be included. You can enjoy Moroccan, French or vegetarian cuisine within this lovely, intimate setting. Rachida is also happy to offer you a cooking class. The thoughtful riad team will ensure you relax and leave Marrakesh refreshed and enlightened with its charms. The Manager and butlers are happy to show you the sites to discover and visit and the best addresses for shopping in the souks or in Gueliz, the modern city.

The riad's hammam and massage room are fabulous. You can enjoy the art of soaping perfumed with eucalyptus, a kessa gloved scrubbing and a clay mask of rhassoul, desert clay perfumed with rose water as well as a wonderful range of massage and facial and body treatments. How luxurious and indulgent!

Delicious, gastronomic feasts are available as well as tasty street food.

The heart of the city is Jemaa el Fna, a vast open space and a stage for snake charmers, musicians, dancers, storytellers, comedians, fairground acts and acrobats. You can enjoy drinks on the rooftop terraces while admiring this colourful scene. The souks are a hive of activity and bartering and are best visited in the early morning or late afternoon. At the northern end of the souks, sits Place de la Kissaria, an open space surrounded by important public buildings. It is dominated by the Ben Youssef Mosque.

Top attractions in Marrakech are The Jardin Majorelle, stunning botanical gardens known for its striking blue paint, Palacio da Bahia, set in a large walled garden and park and Le Jardin Secret which is comprised of two riad gardens that have been joined together.
