Location & Local Information

You're just a five-minute drive from the fabulous Lagos historical centre, including a vast array of cafes, bars, restaurants, shops and banks and under three hours from Lisbon and Seville! And the beautiful beach of Meia Praia is also 3.5km away, just a five-minute drive, while the spectacular Ponta da Piedade is only 6km away.

The beautiful Algarve coast is the ideal spot for enjoying all kinds of water sports including surfing, water skiing, windsurfing, sailing, diving, deep-sea fishing and anything you can think of!

The incredible Golf Courses of Boavista, Palmares, Parque da Floresta, Morgado and Alto Golf are all within a short drive, and also, you will find a Water Park, tennis courts and horse riding all in the local area! We can also arrange jeep safaris, horse-riding, tennis, clay pigeon shooting, lawn bowling or micro-light flying on request.

Outside of golf, the Algarve is an excellent destination for other hobbyists. With a vast coastline that meets the mighty Atlantic Ocean, Portugal is a real paradise for the keen surfer, or indeed even those looking to try it for the first time, with plenty of surfing schools all along the calmer sections of the coast. And even for those less enamoured with surfing, the beaches of Portugal are well worth a visit for their beautifully clear waters

The Algarve, the southernmost region of Portugal, is famous for its picturesque scenes of vast blue skies casting a warming glow on the expanse of the Atlantic Ocean, with untouched bays framed by jagged Limestone rocks at every turn.

While the southern coast caters to every need of its visitors, to the West and the rugged interior the land remains mostly untouched, with less development and endless intersecting of historic villages, hilltop castles and beautiful churches. The Algarviana hiking trail is an excellent day out for an active group.

Portugal itself is a small, fascinating country at the most Western point of mainland Europe. The capital, Lisbon, is known for its lively nightlife, with endless bars and clubs full of fun-loving locals and tourists alike, but also has plenty of fascinating history (check out Belém, jam-packed with monuments!) and undulating terrain, famously termed the 'city of the seven hills'.

Finally, Faro Airport is only an hour away, so you'll waste no time at all getting to your destination!
