Location & Local Information

Chalet Roys enjoys a prime location in the heart of the world-famous Courchevel resort. This exclusive resort is part of the larger Three Valleys ski area, which boasts over 600km of beautiful pistes and over 200 lifts, making it one of the largest and most diverse ski areas in the world.

To get Chalet Roys, the easiest method is to fly into one of the nearby airports like Geneva or Lyon, before arranging for a transfer to the resort. Taxis, shared transfers, and private rental services are readily available at both locations for your convenience. There are also direct train services from Paris to nearby Moutiers, which is only a twenty-five-minute drive away from the resort. Once in the resort, Chalet Roys is easily accessible and only a short walk from the village and ski slopes.

During the winter season, Courchevel is a haven for winter sports enthusiasts, with endless opportunities for skiing, snowboarding, and more. The resort is made up of several different villages, each with its own unique atmosphere and charm. Courchevel 1850 is the most prestigious and offers a wide range of luxury boutiques, fine-dining restaurants, and world-class spas, while Courchevel 1650 is more laid-back, with a relaxed atmosphere and a focus on family-friendly activities. Courchevel 1550, where Chalet Roys is located, remains quite traditional and offers a cosy authentic alpine experience.

For non-skiers, there are plenty of other activities to enjoy in the area such as snowshoeing, ice skating, and dog sledding. In the village centres, Courchevel also boasts a wide range of restaurants, ranging from Michelin-starred fine dining to casual mountain diners, as well as a lively après-ski scene.

What we love

- We loved that the TV came with Apple TV, so it was super easy to find and watch shows and movies at our convenience
- The daily breakfast service was delicious and very convenient!
- The Chalet is only 250m from the main meeting point for ski school

What you should know...

- It is not advised for children under the age of five to use the hot tub or sauna, and older children should always be supervised when doing so
- As Courchevel is a relatively upmarket resort, please be aware that the cost of staying in the area may be higher than other Alpine resorts when dining out and shopping
- The Courchevel resort is spread out across several villages and elevations, so we recommend renting a vehicle during your stay if you wish to explore the wider area
