

Chalet Aigle

Region: 3 Valleys Sleeps: 14

Overview

Engulfed by snow-capped peaks and rolling pistes, Chalet Aigle is a winter chalet unlike any other. Spanning three levels, this elegant seven-bedroom estate comfortably sleeps fourteen guests.

Located in the picturesque Musillon district of Méribel, it's part of the Les Allues valley — one of the largest and well-known ski attractions in the world. Only 750 m by foot from the centre of Méribel resort, it has easy access to the snow front and ski schools.

The chalet brings together the authentic charm of an Alpine ski cabin with a wealth of high-end amenities. Its Savoyard-style architecture is blessed with views of the snowy mountains and 3 Vallées slopes. The living area is inviting and sumptuous, with clean lines, graceful rustic elements and snug furnishing.

After a long day on the slopes, relax your muscles in the private hammam or unwind for hours in indoor jacuzzi. Gather around the stony fireplace and bond over stories from the day with friends and family.

If you're staying with toddlers, you can request for high chairs. The kitchen is roomy and well-equipped, with glossy countertops and modern cabinetry.

You're never short on entertainment options, thanks to the cosy lounge room. Make the most of the well-stocked gym, while the foosball table and board games keep little ones busy.

All six bedrooms are warm and comfy, adorned with stylish wooden accents. Two of them are en-suite with double beds and tubs. The children's room has a bunk bed and en-suite bathroom. The master bedroom is kitted with a

luxurious double bed, while the fifth and sixth room have twin beds. All washrooms come with a shower, towel dryer, single sink and toilet.
