Guests can ski back to the village from anywhere in L'Espace Killy, an added plus. A gondola and chairlift take you to above Tignes Le Lac from where you can ski to the main lifts of Tignes and onto Val d'Isère if you wish. The village enjoys an excellent nursery slope for beginners just a few minutes walk from the centre of the village. Aside from skiing and snowboarding, visitors to Tignes enjoy ice diving, dog sledding, hang gliding, skidoo riding, ice climbing, parascending, ski-joring where you are pulled along by horses, skating, snowshoeing, indoor tennis and heliskiing.

Location & Local Information

Chalet Moto is located in the picturesque village of Tignes Les Brevières with easy access to the whole Espace Killy ski area. A gondola and lift take you from the village to just above Tignes Le Lac from where you can ski to the main Tignes lifts and on to Val d'Isère. The village enjoys a wonderfully warm ambience with its traditional Savoyard centre. Tignes offers an excellent selection of restaurants so guests can enjoy fondues, raclettes and pirards which are meats cooked on stone, mostly cooked by local families with a passion for their trade. The village enjoys a good selection of lively bars including La Moose and Dickie's Bar.

Tignes is renowned for its high altitude, record snowfalls and it's linked brilliantly with Val d'Isère. In Tignes, Val Claret sits at 2100 metres high at the foot of the Grande Motte funicular. Le Lac and Le Lavachet enjoy more of a cosy village feel and all three areas are linked by a free resort shuttle bus. According to 'The Good Ski and Snowboarding Guide', Tignes and Val d'Isère together are one of the only two ski areas in France listed as 'snow-sure resorts'. Val d'Isère is famous for its skiing, apres-ski scene, exclusive boutiques and fabulous restaurants. The resort offers gondolas with heated seats, Wi-Fi, a number of luxury spas, a wonderful leisure centre and a fantastic night life.

Espace Killy is actually open eleven months of the year, thanks to the La Grande Motte Glacier. It backs onto the peaks of the Italian border too. You can ski the glacier in the summer months. The funicular railway that takes skiers to the panoramic platform at 3030m takes just seven minutes.

There are a number of activities available once the lifts are closed including ice skating and ice diving in Tignes lake. Evolution 2 welcomes beginners to experienced ice divers, providing equipment, guidance and instruction to enjoy this unique experience.
