Apartment Lou Lou is in a prime central location in the beautiful village of Morzine, close to the Pleney slopes and lifts with easy access to the entire ski area.

Morzine is at the heart of The Portes du Soleil ski area, one of the world's largest and most picturesque ski regions. Made up of 12 resorts that straddle France and Switzerland between Mont-Blanc and Lake Geneva, there are over 600km of slopes that provide a fabulous variety of runs. With all sorts of winter sports available, including snowshoeing, snowmobiling or husky-dog sledging, Morzine is a great option for families and larger groups.

Morzine has three main lift stations and Apartment Lou Lou is very near to the Pleney lift, popular with beginners and low intermediate skiers because of the lovely long blue runs and open reds which return to the village or provide access across to Les Gets, which is popular with families with children. On the other side of the town is Super Morzine gondola which gives access to Avoriaz and the rest of the Portes Du Soleil and offers the highest skiing in the area. The Nyon lift is located at the valley's North end and accesses the Nyon-Chamossiere Sector at 2010m and is ideal for thrill seekers. There are two runs as well as some challenging off-piste options.

The après ski scene in Morzine is lively and lots of fun and Bar Tremplin is a Morzine institution at the foot of the slopes with DJs spinning classics from 4pm, a large sun terrace and a great vibe. For a small mountain town Morzine really packs a punch with its choice of restaurants. From traditional fairy light adorned wooden chalets offering generous traditional feasts to upmarket fine dining there is a marvellous choice for every taste and budget. There are wonderful mountainside restaurants with terraces where you can enjoy long lazy lunches or lively fun-filled evenings and La Folie Douce in Avoriaz has easy access on skies or on foot and offers excellent après ski time with fine dining and the ultimate disco party.

Morzine is a year round resort offering fabulous scenery,

and stunning landscapes, and in warmer months, there are many trekking options alongside dedicated mountain biking trails considered by many as some of the best in the world. Lake fishing is available at nearby lakes Lac Mines d'Or and Lac Montriond, as well as golf at the Morzine-Avoriaz & Les Gets golf courses.
