Betanzos is a gorgeous town brimming with medieval buildings, grand churches, town gates and authentic restaurants and cafes. It is 20 minutes inland from La Coruna and 40 minutes north west of the famous Santiago de Compostela. Betanzos is very atmospheric and is famous for its festivals and fiestas. Its three day medieval festival in July is very popular and another sees the local boats decorated as a floral flotilla.

It is utterly charming, as is the second dining room with its exposed stone walls and its huge dining table. The formal living area is cosy and welcoming with unique furnishings, a bar, a warm terracotta tiled floor and gorgeous rugs. The second living space is raised and offers wonderful views

from the windows on three sides plus a television for your entertainment. It is drenched in sunlight and is a wonderful spot to relax in.

The four bedrooms are dreamy spaces with gorgeous beams, luxury linens and soft furnishings, lovely artwork, wooden floors and beautiful views of the garden and countryside. Two of the bedrooms offer double beds and the other two enjoy large doubles. There are two delightful bathrooms to share, both beautifully tiled and with showers.

Location & Local Information

Villa Betanzos enjoys a splendid rural location in, 15 minutes from the town of Betanzos and 30 minutes for the main city of A Coruña. From this wonderful location you will discover the magical scenery, sensational gourmet delights and superb wines of Galicia.

As much as you will go back in time at Villa Betanzos, you will certainly do this in the charming historic town of Betanzos. With the historical centre having a warren of little narrow roads filled with ancient buildings, churches, bars, restaurants and shops, it is a magical place for an evening wander. It is pretty hilly with classical architecture and lovely plazas, a real treasure trove of gems to discover. Some of the highlights are the churches dedicated to Santa Maria Azogue and to St Domingo. The 13th century Iglesia de Santa Maria del Azogue enjoys a stunning Romanesque facade and archway over the entrance and beautiful wooden carvings throughout the church. Parque el Pasatiempo is stunning with caverns, statues, tunnels, bridges and endless surprises around every corner.

Santiago de Compostela has its origin in the shrine of Saint James the Great, now the magnificent Cathedral de Compostela. Since the 9th century, thousands of pilgrims have travelled the St James' Way every year, reaching this majestic capital of Galicia and entering the iconic cathedral. Along with its pilgrimage history, it is a buzzy city with countless restaurants and bars where visitors can enjoy delicious seafood and local delicacies. It enjoys its UNESCO World Heritage centre along with contemporary art galleries and trendy bars. One of the most special places in the city is Plaza del Obradoiro, the site of the Cathedral, Raxoi Palace and the luxurious Hostal de los Reyes Catolicos, said to be the world's oldest hotel. There is a ritual for visiting the Cathedral, you will admire the Portico de la Gloria, embrace the figure of St James on the main altar, go down to the crypt and up to the sensational rooftop to enjoy the views. A visit to the colourful Mercado de Abastos food market is fabulous, the second most visited place in the city. You can buy and

taste seafood fresh from the Rias, delicious cheeses and Padron peppers and well as the famous tapas. In the heart of the old town you can also enjoy tapas, octopus a feira, scallops and Santiago cakes along with the delicious Albarino wines. In the university area you will find contemporary architecture including Cidade da Cultura by the New York architect Peter Eisenman and the Galacian Contemporary Art Centre.

You will discover an incredible range of beaches on the north coast of Galicia with the Cantabrian Sea and the west coast with the Atlantic Ocean. In total there is 1200km of undulating coastline, full of tiny bays and inlets so it is no surprise that the beaches are so spectacular. As Catedrais is one of the most famous beaches on the north coast, close to the border with Asturias. It is named Cathedral's Beach due to its spectacular rock formations that look like stone cathedrals standing proud over the beautiful sand. Playa de Riazor is one of A Coruña's main beaches. It hugs the city and is a pretty moon shape with fine white sand and an excellent range of watersports.
