## Overview

Ideally located in a quiet residential area on the exclusive Salobre Golf Resort, this luxurious and spacious three-bedroom villa accommodates up to six guests and promises a Mediterranean holiday to remember. Ideal for both golfers and non-golfers alike, this single-storey property is perfect for families with young children, older guests, and those with limited mobility. Casa Lome features a delightfully cosy and comfortable interior, with a fresh white and rich terracotta decor punctuated with shades of soft grey. Modern and stylish throughout, the villa has a bright living area, complete with a corner sofa and armchairs and a wall-mounted flat-screen TV.

The open-concept dining and kitchen area is bright and airy and well equipped with glossy white units, and plenty of food preparation space. The space features high-end home-from-home comforts that include an integrated oven and microwave, Vitro ceramic hob, large fridge-freezer, coffee machine, washing machine and dishwasher - as well as all the glassware, utensils and crockery you'll need to cater for you and your guests during your stay.

Casa Lome also features three spacious and stylishly decorated bedrooms; a double with private bathroom facilities and two twin rooms that share a family bathroom - making it perfect for larger families or for golfing friends who are holidaying together. The transition from indoor to outdoor living is seamless thanks to the villa's floor-to-ceiling glass doors that lead straight from the lounge area onto a fully-furnished terrace, complete with lounge furniture and a family dining table for alfresco meals rustled up on Casa Lome's built-in barbecue grill. The terrace is just a few steps away from the villa's lawn area, sun loungers and private pool; accessible by ladder and featuring a pool cover. Parents should be aware that the pool is at ground level and doesn't have a barrier or fence,

but well-supervised children will love nothing more than splashing about to their heart's content while the adults relax in the warm Mediterranean sunshine and take in the beautiful mountain views.

## Location & Local Information

Casa Lome is one of the luxurious and modern villas situated on the Salobre Golf Resort - the only resort in the Canary Islands that combines two eighteen-hole courses on the same site. The resort really is the toast of the island, featuring the best greens in the region and promising players of all levels a challenging game in a stunning setting.

The resort is located just minutes from the high-end resort town of Maspalomas, so if you fancy leaving the clubs at the villa and heading out, you can't go wrong here! The area is well-known for its coastal dunes, a protected site that covers over a thousand acres. You can explore much of this area on foot, taking in sights such as the beautiful lagoon and lighthouse, but we recommend taking a camel safari for a truly unique and fun way to experience this incredible landscape.

The Maspalomas Botanic Garden is an often underrated attraction that is well worth a visit while you're here. Situated right next to the golf course, this collection of cacti and brightly coloured flowers provides a quick photo opportunity pit-stop before you head off for a bite to eat. Maspalomas and nearby Meloneras are bursting with fantastic seafront restaurants, and if seafood is a particular favourite, you're in for a treat! Here you'll find delicious cuisine on offer, such as pulpo and prawns with potato foam and grilled calamari, paella, steaks, burgers and pasta dishes, as well as plenty of tapas restaurants and bars where you can enjoy cocktails and pre-dinner drinks.

There are some fantastic outdoor markets to visit, both during the week and on Saturdays, with stalls selling everything from clothing to fresh produce. You'll find a wide array of aloe vera products on sale here, as the plant is native to Gran Canaria, so be sure to grab some locally-sourced skincare during your visit! If you're looking for a higher-end shopping experience, head to Boulevard Faro, where you'll find well-known labels like La Perla, Burberry and Tommy Hilfiger, and, if you walk a little further along

the seafront, you'll come to the Bellavista Shopping Centre and El Varadero Shopping Centre, as well as even more cafes, bars and restaurants that offer a welcome break when you can't carry any more bags!

## What we love

- Casa Lome is a single-storey property that is ideal for those with young children, older guests, or those with limited mobility
- We loved that the beaches, restaurants and attractions of Maspalomas and Meloneras were just a short drive away
- The villa's enclosed garden and private pool mean that the kids can play in safety while the adults relax
- Having a well-lit outdoor lounge and dining area means that guests can enjoy eating and relaxing outside until late into the evening

## What you should know...

- The villa's private pool is accessible by ladder rather than Roman steps and isn't fenced off, so young children will need to be well supervised
- Casa Lome is located in an exclusive residential area, so parties or events that could disturb other guests or neighbours are strictly forbidden
- A cot and highchair are available on request
