Overview

Ibiza Waters is the perfect home for guests who love entertaining.

The home benefits from three dining areas across the inside and outside of the house. Two of them are outdoors; a casual sheltered dining area for twelve on the main terrace and another, specially designed for occasions located in the garden's olive area that seats up to twenty diners.

Dining in the olive area is made effortless with a barbeque, pizza oven, gas wok burner and long bar ensuring that you can smell the beautiful Mediterranean ingredients before they even reach your plate. There is also a dishwasher, ice machine and outdoor fridge.

Guests will find three bars situated across the home, on the ground floor terrace and on the exterior barbeque area.

A jacuzzi located on the rooftop is perhaps the most outstanding feature. Unwinding in the bubbling waters while taking in the daytime heat and blissful scenery sounds like a wonderful way to enjoy your days in Ibiza. There are also three outdoor showers, a large private pool and a massage table where you can soothe your body surrounded by peace and tranquillity.

You will spend a lot of time in the home's extensive garden decorated with towering palm trees and vibrant flowers. At night, the home benefits from a glamorous lighting system that illuminates the garden, terraces and pool, creating a stylish evening environment.
