Overview

Welcome to Villa Carta, a spacious and bright property, located in a quiet and exclusive residential area, it's still just a short distance from Puerto del Carmen's restaurants, bars, and supermarkets. You're also only a couple of minutes' drive from the old harbour and beautiful golden beaches.

Inside, the villa features a large hallway that leads into a big, split-level dining room and lounge with high ceilings. The accommodation includes six bedrooms: two with super king beds and en-suite bathrooms, two with a double and single bed, one with a double bed, and one with twin beds. Each room is comfortably furnished, with air conditioning and ceiling fans.

The villa has four bathrooms: two en-suites with a bath and separate shower, a separate bathroom with unique lava stone walls and a sunken bath, and an additional shower room.

The kitchen is fully equipped for a self-catering holiday, including an oven, fridge freezer, microwave, dishwasher, kettle, toaster, and washing machine. The large dining area can seat up to 12 people, and the comfortable lounge area includes a TV with satellite channels.

Outside, you'll find an electrically heated swimming pool (heated from November to April, see Ts&Cs), with Roman steps and a small baby pool. The pool area is surrounded by high walls for complete privacy and features a terrace with sun loungers, patio furniture, a built-in barbecue, and a poolside shower. For entertainment, there's also a pool table and dart board that the whole family can enjoy.

What we love

- Villa Carta has everything a large group would need to rest and recharge whilst on holiday, from a private pool, pool table and dart board, there is plenty for the whole family to enjoy

What you should know...

- There are no handrails leading into the pool and the pool is unfenced, so children must be well-supervised when playing in the vicinity
- Since this property is spread out across one level, it is a great option for those with reduced mobility, however, it should be noted that the open-plan living / dining room is over a split-level accessible by a couple of stairs
- Although situated in an ideal location and within walking distance of shops, bars and restaurants, the villa is set on a hill, so a car or taxi use is recommended for guests staying at Villa Carta
