## Overview

Deluvina House is a stunning retreat in Madrid's heart, where luxury meets enchantment. As you step through the well-preserved doors of an eighteenth-century convent, you are transported into a realm of timeless beauty and sophistication.

This two-storey villa, adorned in a captivating Mid-century decoration style, showcases the finest craftsmanship and materials. From the intricate marble, mosaics, and tiles to the walls adorned with stucco art and reddish marble, every corner exudes charm and character.

Versace designer furniture and Tunisian mosaics adorn the living spaces, creating an atmosphere of opulence and elegance. The villa boasts six bedrooms, each with its own ensuite, featuring luxurious jacuzzi baths and bespoke amenities. The master suite is a sanctuary, boasting a spacious king-size bed, a cosy fireplace, a separate living area, and a tranquil private terrace overlooking lush greenery.

With two kitchens, multiple living rooms, and secluded spots throughout the property, there is ample opportunity to unwind and reconnect with loved ones. The private swimming pool, reminiscent of a jungle oasis, invites you to bask in the sun or listen to the soft gurgle of waterfalls while enjoying panoramic views of the garden.

For those seeking adventure, Deluvina House offers easy access to unique experiences, such as flying in Europe's most giant wind tunnel at Madrid Fly or indulging in retail therapy at Las Rozas Village, Madrid's premier shopping destination. Golf enthusiasts will delight in the proximity to one of the city's most exclusive golf courses, while cinema aficionados can enjoy deluxe screenings at Equinoccio.

After a day of exploration, retreat to the villa's gym or simply unwind in the serene surroundings, knowing that every comfort and convenience awaits. Deluvina House is more than just a property; it is a magical paradise where dreams are made real, and memories are cherished for a lifetime.
