

Casa Tranquila

Region: Mallorca **Sleeps:** 6

Overview

Peek through the striking white arches on the terrace of this villa in Mallorca, and you'll be treated to a view from your holiday dreams. The perfectly blue bay stretches out into the sea, set off by mountains and craggy cliffs. Come up the mountain road from Cala San Vicente, through the gates, and here you'll encounter a beautiful Mediterranean garden, full of palms. Stretch out and relax by the kidney shaped pool, letting the Mallorcan sunshine warm you...this is a villa holiday like no other.

The interior is modern, clean, and full of windows drawing you out toward that perfect view. If the weather is anything less than ideal you can dine in the sun room, looking out on the stormy sea. There's a pantry off the kitchen, just waiting to be filled with delectable ingredients from the Sunday market in Pollensa (9 km).

Here, the sea stands in stark contrast to the hills above, nowhere is that more evident than at Cap Formentor Lighthouse (25 km), a spectacular lookout that's worth the drive. The beach and the mountains are accessible - head up into the hills for hikes, ziplining, or climbing as a respite from the sea.

Location & Local Information

Cala San Vicente is located close to Pollensa and offers lovely sandy beaches and beautifully clear waters. Smaller in size than Pollensa, Cala San Vicente provides a handful of shops, restaurants and cafes with various entertainment in the peak summer months.

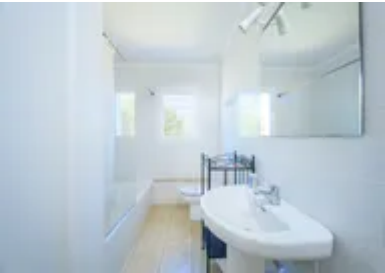

As you drive into Cala San Vicente you head over a rise in the road and the welcoming Mediterranean sea opens up in front of you. The village is largely made up of hotels, apartments, and medium sized villas. The property styles vary greatly, with many villas being built to individual specifications. Regardless of the property type the whole bay and village of Cala San Vicente exudes an elegant and characterful presence and is. Located on the north west of Mallorca between Pollensa and Port de Pollensa makes it an ideal base to discover the whole north end of the island.

When planning your beach holiday and you're dreaming of staying at a luxury beachfront hotel in Mallorca with easy access to the Mediterranean sea, and enjoying stunning views from your balcony, then check out the abcMallorca Collection for the best seafront accommodation on the Balearic island. Cala San Vicente itself is the major attraction. The elegant and prestigious location within easy reach of bigger areas of Mallorca provides guests with the best of both worlds. Couples with older children and couples travelling alone find the perfect place to relax and enjoy the breathtaking scenery and romantic intimacy offered. As you proceed down the tree lined main street you'll notice a collection of antique cars and bikes on the right hand side. These belong to the owner of La Moraleja Hotel, and are displayed along with his collection of artworks.

The three small hidden bays feel enclosed by the imposing backdrop of the Tramuntana Mountains. These three bays provide fine sand and pebble beaches. The crystal clear waters provide a great place for snorkeling and canoeing. Lifeguards, who due to the open nature of the bays use a simple flag system to warn of potential rough seas, carefully watch the two most popular bays. A rocky outcrop divides these two bays. If you are after a more diverse shopping experience then a trip to Pollensa or Puerto Pollensa will offer more choice. The Wednesday morning market in Puerto Pollensa is one of the busiest on the island and well worth a visit.
