## Location & Local Information

Villa Clarandana is located in the popular area of Binisafúa, a small urbanization on the south east coast of Menorca island. When you want to swim in the sea, the beautiful Binisafúa beach, with its white sandy shores and crystal-clear waters, is less than a 5-minute walk from the villa's front door.

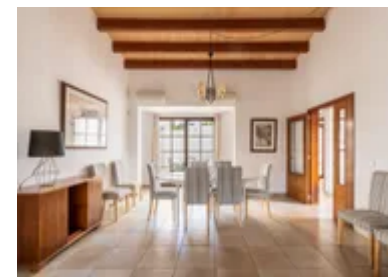

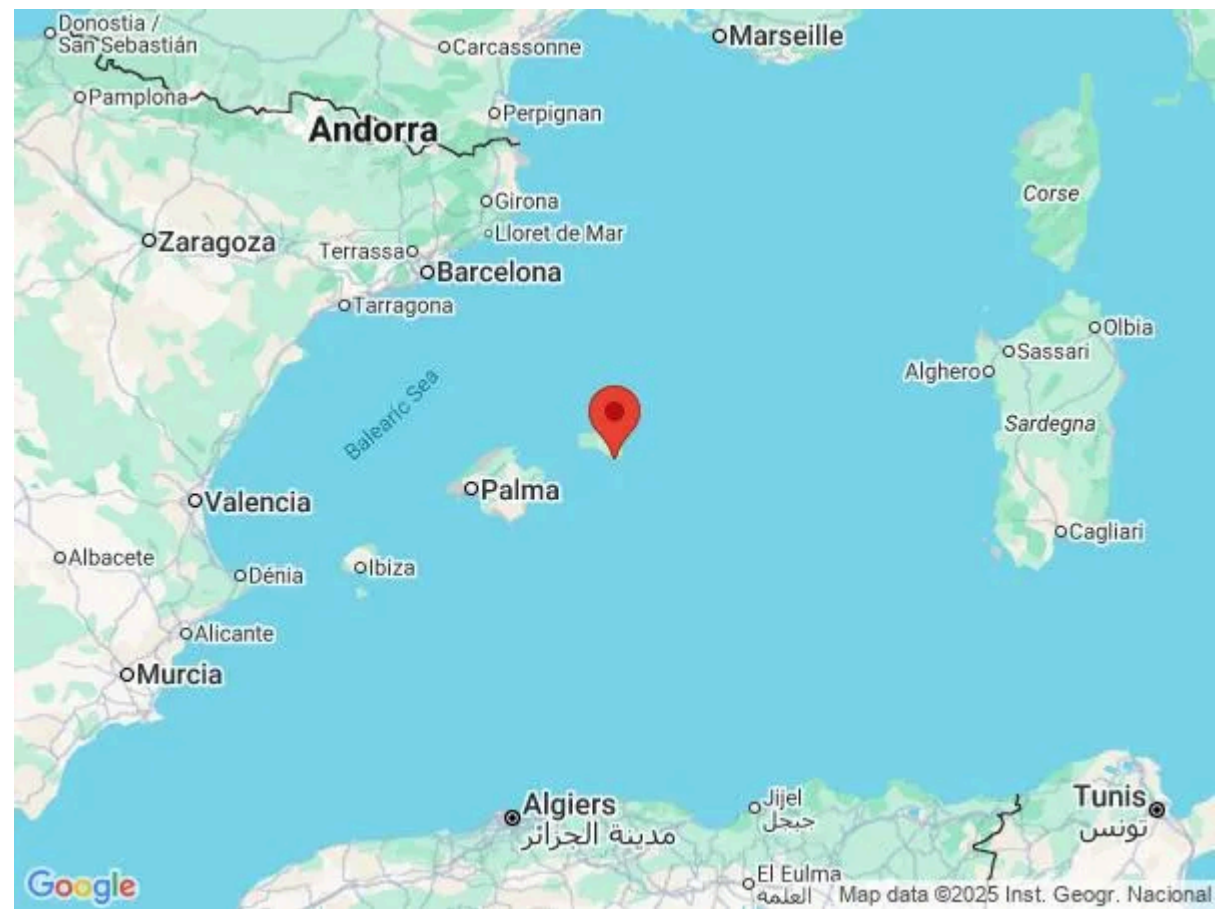

There are more beaches all within a 10-minute car journey, so you can visit a different one each day, whether it is Binibeca, Punta Prima or Alcaufar, they are all worth a visit. There are two restaurants in Binisafúa, and all other local amenities including supermarkets, pharmacy and banks are a 10-minute drive away in San Luis or Sant Climent.

The journey from the airport to the villa takes less than 15-minutes, so if you are travelling from afar, there is no need to worry about a long journey at the other end. You can pick up your rental car, or hop in a cab, finding yourself at the villa's front door in no time at all.

Menorca is often described as the quieter of the Balearic Islands, the perfect spot for those looking to completely relax, immersing themselves within the stunning nature, beautiful beaches and delicious local food. Palm-fringed beaches, turquoise seas, white sandy shores and a relaxed atmosphere throughout the island, epitomise Menorca. From the moment you step off the plane, there seems little left to do but relax, settling into the gently pace that the island offers.

If you enjoy the outdoors, then Menorca offers a picturesque setting for activities like walking, cycling or hiking, even for those who aren't super-fit, and if you're after the adrenaline rush of your chosen water-sport, there are few better places to go.

The joy of this location, is you can enjoy the peaceful ambience of Binisafúa throughout the day, revelling in the tranquil setting and family-friendly restaurants if you are with young ones. Yet for those moments you desire a romantic night out, or a lively evening out on the town,

then just a short drive away are the towns of Mahon and Es Castell, filled with lively entertainment and from which you can enjoy moonlit strolls along the harbour, savouring the romantic atmosphere.
