Location & Local Information

Nearby, Vilamoura is so glitzy and glamorous. The marina is so captivating, full of luxury yachts and edged by chic, gastronomic restaurants, bars and cafes. It buzzes with such a happy vibe. Vilamoura Casino offers dining and live entertainment as well as poker games. There are many shopping opportunities in Vilamoura with a big presence from famous brands. Either side of the marina are the breathtaking sands of Vilamoura Beach and the stunning Falesia Beach which stretches for miles to Olhos de Aqua.

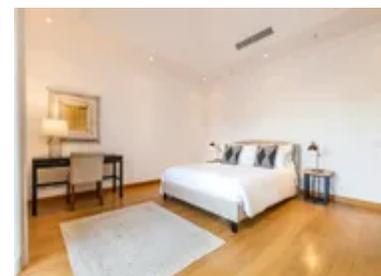

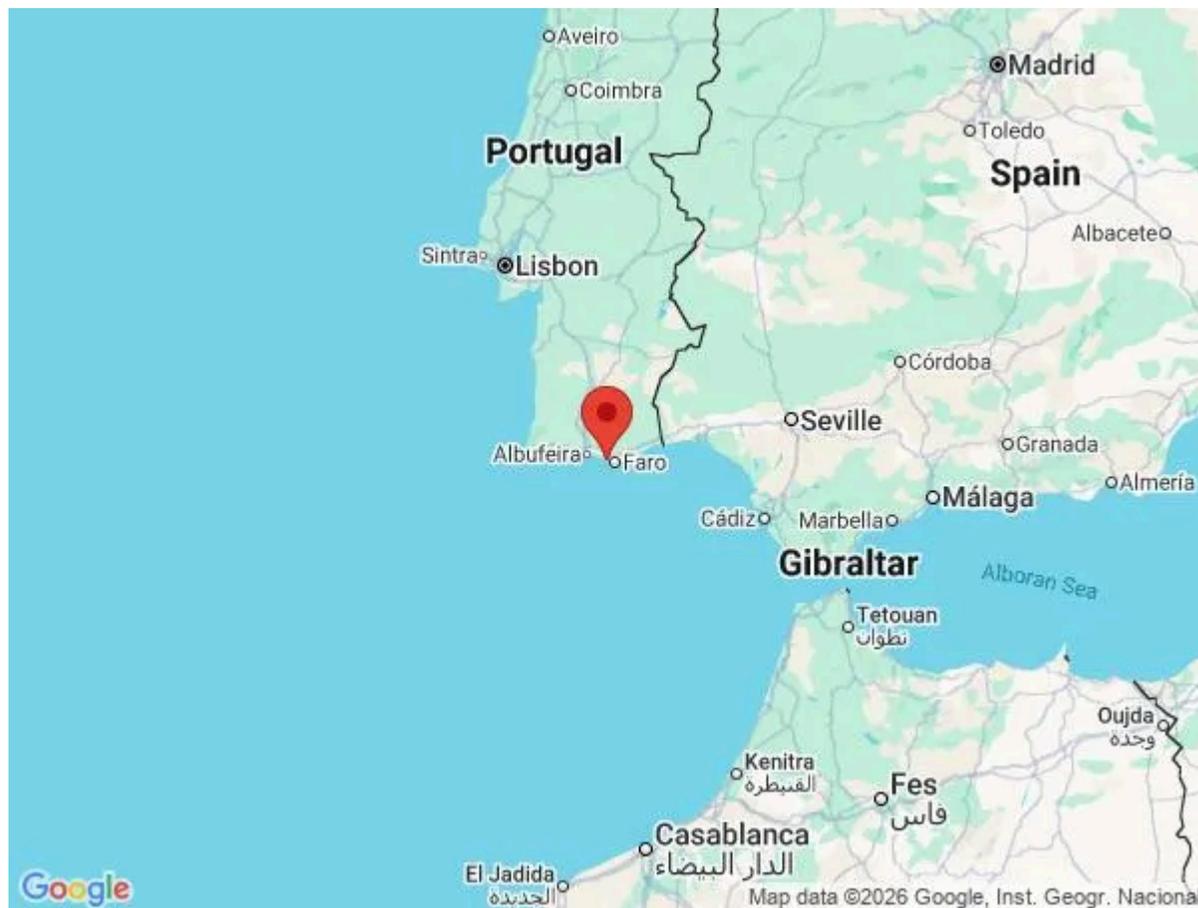

As well as large towns full of amazing attractions, the small villages are worth exploring. The blue and white hand-painted azulejos in the interior of the Igreja de Sao Lourenco church are gorgeous, as is the ornate gold alter. The church is a national treasure and one of the most beautiful churches in the Algarve.

The traditional Portuguese market town of Loule is so atmospheric. It is incredibly authentic with a buzzy, friendly atmosphere. The Arabic inspired covered market is full of regional handicraft stalls, local produce and freshly caught fish. Loule's tree-lined plazas and a warren of alleyways have barely altered since the medieval times. Must visits are the ancient castle and Gothic Igreja Matriz church. At Quinta da Tor at Loule, you can take a tasting of authentic Algarvian wines. They will give you delicious olive oil and bread with the wines. You can even enjoy a glass of wine by the wonderful infinity pool and be dazzled by the view of the vineyards. It is such a hidden gem off the beaten track. You can buy the wine from just Euro5 a bottle.

The Ria Formosa Reserve offers a range of landscapes and is absolutely stunning. It has wonderful birdlife. Boat and kayak tours are available, and the stunning islands are definitely worth a visit by ferry or boat.
