Overview

Enjoy the wonders of Barbados from the grand, Villa Keneil. Hosting a whopping twelve guests across its expansive grounds, enjoy a stay filled with relaxation, elegance and enchanting views of the coast and sea!

From its outward appearance, guests will know they are in for a decadent stay, as the home showcases the highest standard of traditional Caribbean design fused with exquisite touches, such as a pillared entrance. The home has been splashed with a neutral palette to highlight the fantastic character exuded from the chic and antique décor that sits throughout the open-plan layout and allows sunlight and a gentle breeze room to waft in. Outdoors, guests are treated to an immaculately kept space, so big that you may lose sight of fellow guests momentarily and you have views from each side that will be sure to soothe the soul.

Getting started indoors, guests will find that the main house has everything you need to gather the family together. In the unique living area, you will take a second to admire the personality that this room oozes, with its inclusion of a double-height ceiling, vaulted beams, beautiful coral stone interiors and a mix of contemporary and old-world Caribbean furnishings. Here guests can recline and unwind on several plump sofas and seats whilst you chatter into the evening. If you seek a quieter setting, spend some time upstairs on a smaller lounge area, overlooking the ground floor. You can whip up a feast for everyone in the fully-equipped kitchen, or take it easy as a private chef works their magic!

The verandah seamlessly blends into the open living area, so step through to enjoy delicious meals on the table located here. You can relax and enjoy the shade of the verandah on the comfy and cosy lounge area, whilst you

sip cool drinks and watch across the waves, or for a more lavish end to the evening, head over to the fourteen seating alfresco dining table, where you can hold a proper banquet. Stepping down from the verandah, guests can walk barefoot to sun-beds dotted around the patio! The patio has been elevated and built towards the edge, so it is here you get the best and least interrupted views of the vast Caribbean Sea. This huge area also houses the beautifully placed swimming pool, which will offer opportunities to escape the heat from the sun or simply have fun!

The gorgeous Villa Keneil, features bedrooms in the main house and the cottage-style dwelling, attached to the home. Every bedroom in the home features a lovely en-suite bathroom, some with bathtubs but all with showers. King-size beds sit in three of the bedrooms in the main house, with the fourth housing two single beds which can be joined together to present another King-size bed. The cottage allows four more guests a place to slumber, with its inclusion of two bedrooms, both containing Queen-size beds and a private patio.

With a Chef, Butler and Housekeeper, you can truly unwind and let go of your troubles as your needs are cared and catered for, allowing you to truly have the escape you have been dreaming about!

Location & Local Information

A real-life tropical paradise, Barbados is a gem on the Caribbean, notable for its picturesque shores and beaches, gorgeous climate, an abundance of natural beauty and more activities and excursions than you can imagine. Traverse its terrain in under an hour by car and experience the wealth of mellow and thrilling opportunities and an array of festive foods, all under the constant and warming sunshine!

Set to the west of the island, Holetown in the Saint James Parish sits by the sea and is blessed with seafood galore, scents, sounds and winds from the waters, as well as miles of coasts to explore against a backdrop of lush rainforests. Villa Keneil has been built up high on a ridge, so you can soak in sweeping views of the coastal town and are afforded privacy and peace when you retreat home. Its location enables you to easily access the towns and the beaches, giving you the best of both worlds!

You can take a walk through the town or drive under five minutes to Paynes Bay Beach. One of the best spots for swimming, you will be enticed to splash in the warm, turquoise, crystal-clear waters as the sun sizzles your body. If you love the heat, then enjoy basking on beach chairs, whilst you enjoy snacks and drinks purchased from bars, cafes and shops next to the shores. You can indulge in things to do on the water and test your skills with water-sports or have a mellow voyage on the sea. To the south, guests will see the popular fish market, where you can purchase special and freshly-caught seafood to whip up at home!

The enriching waters of the Caribbean Sea help prized and exotic fish and marine life flourish alongside spectacular fruits and vegetables so it's no wonder Barbados is home to some of the tastiest dishes. Whilst here, grab yourself a signature Roti, an Indian inspired dish with succulent meat and vegetables in a bread-wrap, or some cou-cou and flying fish! Make sure you try a rum-based cocktail or beverage, as it is world-famously made here. Step back into time, combining history with the finest rum recipes to

taste, on tours of distilleries. Visit Mount Gay's distillery in Bridgetown and enjoy a day of fun-facts, delicious food and snacks, a tour of the three-hundred and fifty-year-old production site and a range of rum varieties, from smooth to fiery!
