Region: Mallorca Sleeps: 6

Overview

Casa Nerroo is the result of a fantastic renovation of a traditional villa in the upmarket resort of Alcanada in the north of Mallorca, not far from Alcudia. With modern and minimalist flair, the renovation project is amazing. The space is bright and modern, and with 3 fabulous bedrooms, it is perfect for a family or group of friends. The fantastic Alcanada Golf Club is very close by as well as some astonishing restaurants. The villa boasts magnificent sea views as well as its brand new pool and sunbathing deck.

Alcanada has a rugged stretch of coastline with beautiful turquoise waters and its own island lighthouse. You will enjoy a quiet day on the beach though the busy beaches of Port Alcudia are close by if you want more entertainment.

The outside spaces of Casa Nerroo are exquisite. You will feel like you are at a private beach club. The deck and infinity pool are stunning. The pool is surrounded by sun mattresses, loungers and parasols with spectacular views of the Bay of Alcudia. The pool and deck have ambient lighting for night time swimming. Next to the villa, you have covered alfresco dining and lounge space.

The rear of the villa is backed by forest land, and the shady space is decked with loungers, easy chairs and a barbecue. It is a great chill-out space. The first-floor terrace is superb with a dining table and chairs and amazing views. There is also a furnished roof-top terrace where the views are absolutely stunning towards the bay and the island lighthouse.

On the ground floor, the open-plan living, dining and kitchen area is sublime, modern and sleek. The glossy kitchen is superb, and the furnishings are all contemporary

and very tasteful, as is the lovely artwork on the walls. A fabulous floating staircase takes you upstairs. The wonderful master suite has a double bed, a beautiful ensuite bathroom and access to the terrace.

The spacious second bedroom has twin beds and access to the terrace as well. The third bedroom has twin beds and an ensuite bathroom. There is a separate bathroom, as well. All of the bathrooms are pristine and superb.

Location & Local Information

The main draw of Alcanada is, of course, the fabulous and famous Alcanada Golf Club though there are other attractions. It has a beautiful, long, quiet beach and is popular with joggers and cyclists. The beach is unmanned, and there are not many facilities, but maybe that is what you are after! If not, in minutes you can be on action-packed beaches with watersports and many beach bars.

Almost all of the 18 holes at the Alcanada Golf Club provide spectacular views of the sea and lighthouse. The course was designed by Robert Trent Jones in 2013. He has designed more than 250 courses around the world. The club also has a fabulous restaurant with delicious cuisine. If this course is not enough for golf fanatics, there are 17 more on the island, including the very popular San Gual just outside of Palma and T-Golf and Country Club, which was formally the Poniente Golf Course.

Alcanada is on the Bay of Alcudia but just across the way in the Bay of Pollensa. There are fantastic beaches to visit and the fabulous Natural Park S'Albufera. It is the Balearic's largest and most important marshland with a huge variety of flora and fauna, lagoons and wild streams and signposted cycling and hiking paths. It is a great place to rent bikes and enjoy the natural environment.

The old towns of Alcudia and Pollensa are must-visits. Both are equally charming with wonderful, ambient architecture, fabulous restaurants and cafes, chic bars and fantastic markets. They come alive on market days.

It is also lovely to explore the majestic mountain range and the picturesque villages. The dramatic scenery, sense of seclusion and fantastic hiking opportunities are wonderful. Soller, Valldemossa and Deia are all delightful day trips. Soller is situated in a bowl surrounded by mountains, dominated by Mallorca's highest, the Puig Major. Long and extremely winding roads are characteristic of the region. Fornalutx is an idyllic stone-built settlement in the foothills of Puig Major.
