Location & Local Information

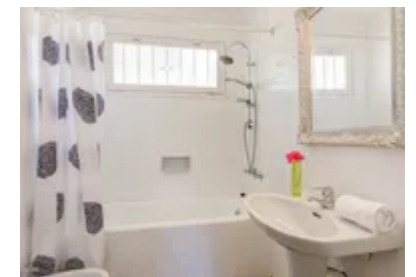

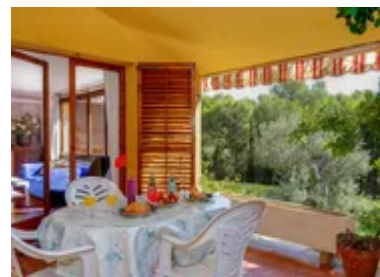

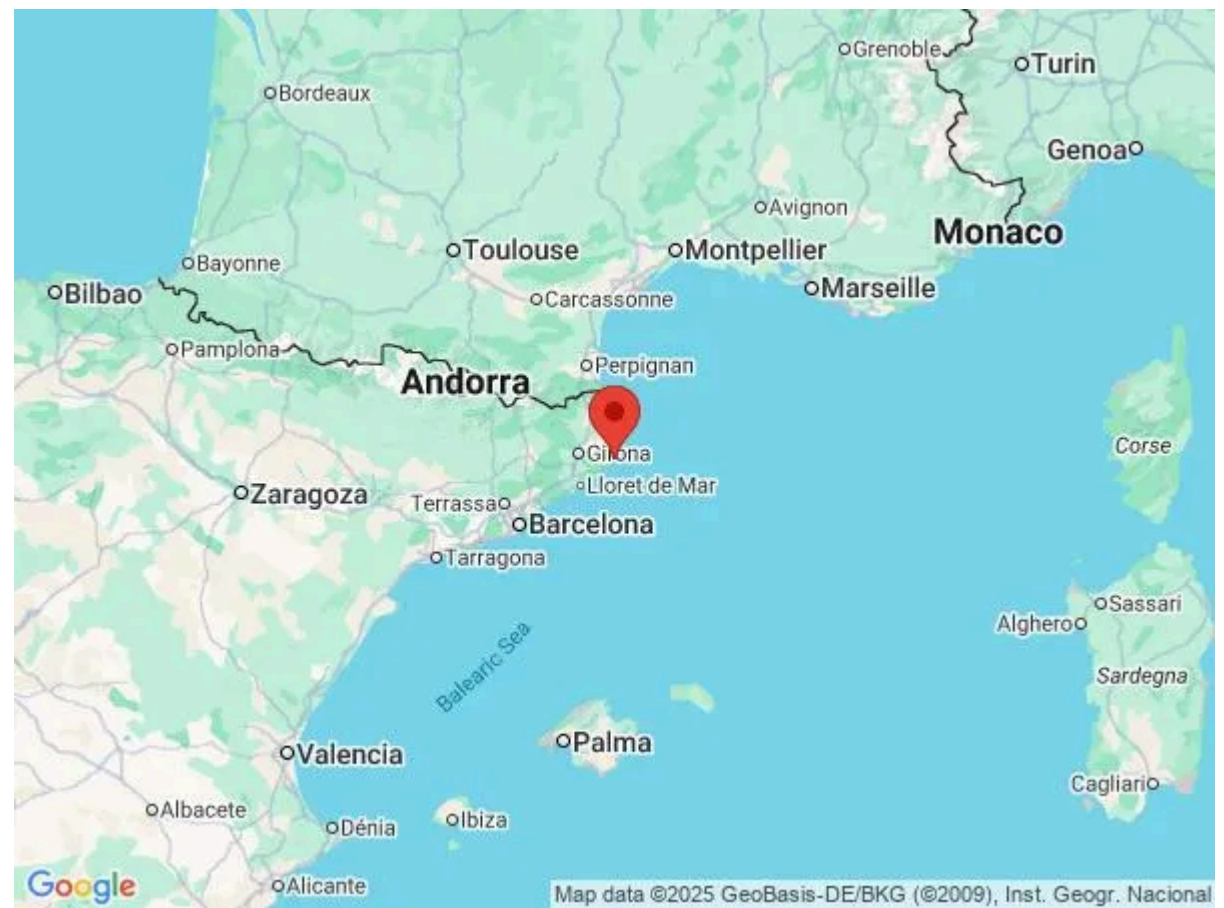

The location of Villa Mossec is terrific. There is something for everyone. The beaches are wonderful, the scenery gorgeous, there are hiking and cycling opportunities, interesting pottery and clothes boutiques in some of the villages and towns close by, delicious cuisine and golfers will be thrilled.

There are some fantastic golf courses close by including Emporda Golf Resort, Golf de Pals, Club de Golf Costa Brava and Club Golf D'Aro. The course at Emporda enjoys a privileged location and consists of 36 holes divided between two 18-hole rounds, Links and Forest. Pals Golf Course is built in a large pine forest next to Pals beach.

Some of the wonderful villages to visit include Llafranc, Calella de Palafrugell, Pals, Mont-ras Regencos and Pubol. The historic village of Mont-ras sits at the bottom of the Gavarres hills and natural park. You can see the cork trees that contributed to the local cork-making industries in the hills. The Mont-ras plain includes the Ruta de la Petit Tren walking and cycling route linking Mont-ras with the beaches of La Fosca, Castell and Calella de Palafrugell.

The Cap Roig botanical gardens at Calella de Palafrugell are spectacular with plants and trees from all over the world. The gardens host music festivals with famous artists as well as exhibitions. The beach at Calella de Palafrugell is magnificent, and the village is utterly charming. You can see the 1960's couture dresses of Gala, Salvador Dali's Russian wife, at the castle at Pubol that Dali bought for her.

The beaches are amazing with intimate coves as well as larger expanses of golden sand. Some beaches have watersports on offer, but others are secluded and peaceful. Some can only be reached if you take the hiking routes at the top of the cliffs or visit by boat. While you are visiting fabulous beach and rice fields of Pals, you can also visit the Mas Geli vineyard where they make six delicious organic wines.
