Location & Local Information

Playacar Beach House is located in a gated community with a stretch of private beach and is situated in the coastal resort town of Playa Del Carmen along the Yucatan Peninsula's Maya Riviera. The area is known for its palm-lined beaches and coral reefs, and guests here can enjoy a plethora of water sports including scuba diving, swimming, and kayaking to name but a few. The crystal clear waters and huge variety of colourful marine life, such as needlefish, rays, and turtles mean that snorkelling is a popular pastime here, and with the reefs being so close to the shore and the waters being so calm, it is an activity that all members of the family can enjoy.

The famous "Fifth Avenue" pedestrian thoroughfare runs parallel to the beach, and offers plenty of shopping opportunities for visitors, as well as restaurants to suit all tastes and budgets, and nightspots ranging from laid-back beach bars to vibrant clubs. The town is conveniently located close to Cozumel, Tulum and Coba - all of which have something different to offer if you fancy travelling a little further afield to experience different beaches or tourist spots.
