Villa Ginjols

Overview

The beautiful Villa Ginjols is a quality getaway home for your stay in Northern Mallorca. Offering spaces to support leisure and comfort throughout your stay, this four-bedroom masterpiece is complete with lovely interiors and immaculate exteriors to ensure you and seven fellow guests can make the most of your escape!

Fabulously pink, the villa adopts traditional Mediterranean style in its structure. This helps punctuate the outdoor area, emboldened by the glow of the sun, so you can enjoy both the climate and the surroundings. Indoors, areas have been finished to a high-standard, and chic furnishings and décor sit in spacious areas, to present a house that is modern, yet somehow very homely and familiar.

A living and dining area sits on the ground floor, the perfect place to gather all guests after waking or before sleeping. Here sofas and settees have been placed around a fireplace and television, giving you the choice of tender evenings with conversation and flame-lit settings or unwinding with films at any time of the day! The swanky dining table fully accommodates all eight guests and sits just behind the living area, so you can dine with the beauty of the fireplace or background noise of the television. The kitchen sits comfortably past the dining area, fully-equipped, so you can make anything you could need and breakfasts can be served instantly to the informal dining table in the kitchen!

You have the choice of four bedrooms, with two on the ground floor and two on the upper floor. The ground floor bedrooms share the use of a family bathroom, and all the rooms are perfect for siblings. Upstairs, guests in the master bedroom have a double bed and views of surroundings the exterior and the sea in the distance on two balconies. Both bedrooms upstairs benefit from en-suite bathrooms.

Outdoors, enjoy the festival of colours that the exterior presents. Kick-back on the gazebo, on L-shaped sofas or lay down on the lawn around it. Get right into the pool, should you require some relief from the sizzling sun or take it on, from the comfort of loungers. Finally, when you need to refuel, an alfresco dining table makes for the perfect place to enjoy a meal!
