Region: Ibiza Sleeps: 6

Overview

Casa Castell is situated on a hillside with great views, just a short walk from the village of Es Cubells. The villa has a unique, stylish design with three atmospheric bedrooms, accommodating up to 6 guests.

Es Cubells, Ibiza's southernmost village, may be small, but its clifftop location offers stunning sea views and a distinctive charm. The clifftop church here dates back to the 19th century. Nearby beaches include Cala des Cubells, Ses Bouquets, and Cala Llentrisca, with Es Torrent, Porroig, and Cala Jondal a bit further away. Es Cubells marks the start of Ibiza's 'golden mile,' extending to Porroig, making it a sought-after spot.

Casa Castell stands out with its modern, fortress-like appearance, featuring large windows and warm stone. The property includes expansive lawns, a rustic terrace, and lush gardens. Pine forests rise behind the villa, while the front offers impressive Mediterranean sea views. The pool area is equipped with quality loungers and shaded by mature trees. You can relax in the gazebo or enjoy the sun.

The raised terrace has a casual dining and lounge area with colorful seating. There is also an additional outdoor dining space near the kitchen. Plenty of cushions and seating options provide a comfortable spot to enjoy the views.

Inside, the living area is open plan with a high ceiling and warm-toned décor. It features a rustic dining table and a well-equipped kitchen. Upstairs, the three bedrooms continue the bohemian theme. The master suite includes a feature bathroom, a fireplace, a king-size bed, and two terraces. The second bedroom has a queen-size bed, a private terrace, and an en suite bathroom. The third bedroom offers twin beds, a private terrace, an en suite

bathroom, and a lounge area with a daybed for an extra guest.

Casa Castell is a distinctive villa with a warm, bohemian vibe, offering a unique and inviting atmosphere.
