

Villa Arbor Fici

Region: Tuscany Sleeps: 14

Overview

Appreciate the glorious scenery of southern Tuscany from your infinity swimming pool and gardens during your stay at Villa Arbor Fici, a charmingly renovated farmhouse south of Siena.

Dating back to the 17th century, Villa Arbor Fici epitomises the character of Tuscany with its rural setting, wonderful interiors and warm hospitality with daily breakfast included. The hearty kitchen features a wood-burning fire whilst the inviting living room is the perfect place to share a bottle of Chianti with loved ones. A second air-conditioned lounge upstairs means even more space to socialise whilst five delightful en suite bedrooms have been elegantly furnished with Tuscan charm. A separate annexe offers two further bedrooms and shower rooms, allowing this gorgeous abode to sleep up to 14 guests.

Across the extensive gardens there is space for everyone to relax in tranquil surroundings. Sip your morning coffee by the wisteria or trailing roses, enjoy a glass of chilled wine in the shade of the upper terrace, then come together for feasts by the pizza oven in the spacious courtyard. Follow the stone steps down to the swimming pool, perfectly positioned for mesmerising views over the Tuscan landscapes of rolling hills and forests.

In a remote and beautiful setting, where deer roam free and truffles can be found amongst the ancient oaks, this rural idyll is ideal for discovering the authenticity of this wonderful region. Head out for long walks in the countryside across the estate and beyond, even a local nature guide can be organised to accompany you. Pass old mills as far as a medieval castle, look out for kingfishers by the nearby river and enjoy picnics with stunning views or perhaps even a summer swim.

What you should know...

- There are five bedrooms in the main villa and two in a separate annexe.
- Air-conditioning is featured in all bedrooms and the upstairs lounge only. However, the downstairs lounge has double glass doors that open up on the panoramic terrace and given the 18th century Tuscan farmhouse style it has thick stone walls that keep the building cool.
- With the beautiful gardens on different levels, younger guests will need supervising when playing outside.
- For smaller groups, a lower rate is available excluding the annexe, on request only and only during the low season – please enquire.
- Part of a vast estate, the owners also feature a hamlet with farmhouses and a restaurant around 1km away - sometimes used for weddings or events. Please enquire for further details.
