

Villa Infinito

Region: Sicily Sleeps: 9

Overview

Discover the serene beauty of Villa Infinito, a charming five-bedroom retreat situated on the edge of the Vendicari Nature Reserve in the enchanting coastal region of southeast Sicily. The villa is surrounded by meticulously landscaped gardens, a true natural paradise featuring lush, vibrant meadows, a captivating cactus garden, and a serene pond.

There's a charming blend of modern design features and traditional Sicilian style throughout Villa Infinito. This is especially the case in the open-plan living/dining room with its feature shelves and classic tiled dining table. It's the perfect space to return to after a long day of exploring both country and town. Unwind with drinks before moving to the table for dinner or opening the glass doors and enjoying an al-fresco meal on the terrace.

The bright, bold patterns and colour schemes continue throughout the rest of the villa. Traditional tiles make the bathrooms feel like authentic spaces in which to start or end the day with a refreshing shower. Each bedroom has its own distinct personality, with most having a private bathroom.

Matching Villa Infinito's impressive interior are its expansive outside grounds. Enjoy a quick session in the poolside indoor gym and then cool off with a swim in the pool. And as well as there being a terrace for outdoor meals, there's also a romantic lounge shaded by a vine-covered pergola that overlooks the nature reserve. The views are especially spellbinding as the sun begins to set and lights illuminate the space around you.

Beyond the gardens, you'll reach the reserve in mere minutes. And you can hike to the coast in about an hour – or in just 10 minutes by car. Numerous beaches, such as *Spiaggia di Cittadella*, await with their rugged stretches on which to relax after swimming in the sea.

Vendicari Nature Reserve is home to a diverse range of flora and fauna, so it's no surprise that hiking and birdwatching are among the most-popular activities. Beaches and rocky coves line the coast for long walks where you will come across evocative historic remains, such as a 15th-century tower and old fishermen's houses.

The city of Noto with its spectacular Baroque architecture is around a 20-minute drive from the villa, with smaller historic towns such as Pachino even nearer.
