## Location & Local Information

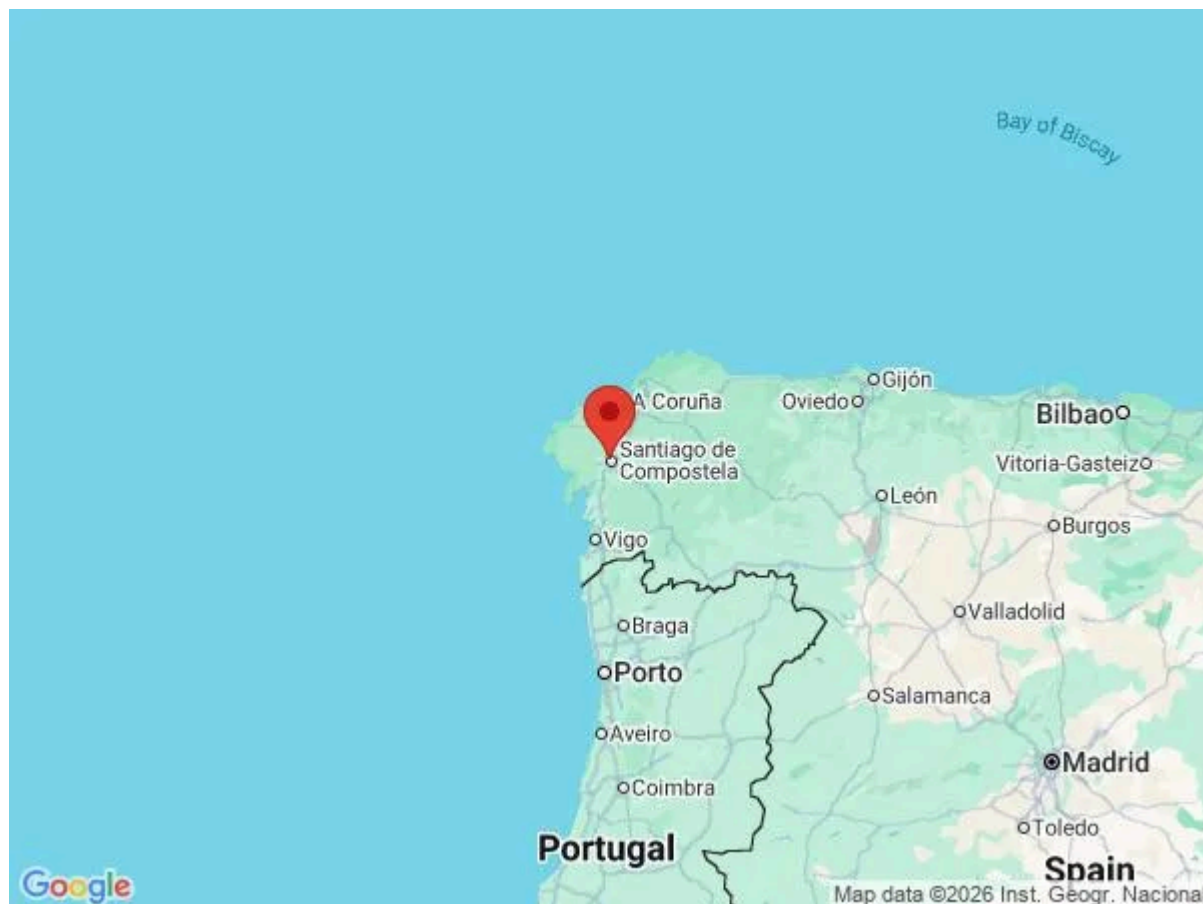

Villa Marco de Covas is located in the tranquil village of Correxins, just 5km from the famous Santiago de Compostela. With beautiful greenery all around, the location is delightful. There is a restaurant serving delicious Galician dishes and a bar very close to the villa.

Santiago de Compostela has its origin in the shrine of Saint James the Great, now the magnificent Cathedral de Compostela. Since the 9th century, thousands of pilgrims have travelled the St James' Way every year, reaching this majestic capital of Galicia and entering the iconic cathedral. Along with its pilgrimage history, it is a buzzy city with countless restaurants and bars where visitors can enjoy delicious seafood and local delicacies. It enjoys its UNESCO World Heritage centre along with contemporary art galleries and trendy bars. One of the most special places in the city is Plaza del Obradoiro, the site of the Cathedral, Raxoi Palace and the luxurious Hostal de los Reyes Catolicos, said to be the world's oldest hotel.

The Ria boasts approximately 70 beaches stretching from Finisterre on the North side of the Ria to Corrubedo on the south side. There is a huge variety of beaches including family beaches, beaches with restaurants and cafes, hidden beaches, beaches for watersport lovers and even naturist beaches! Favourite epic beaches are Carnota with its gorgeous sand dunes and rock pools, crab and fish catching and Louro with its beautiful sand and crystal clear waters. Playa de Brona and Playa de Esteiro are popular family beaches.

## What we love

- Carnota Beach, the largest beach on the west coast of Spain is definitely worth a visit. It hasn't changed for centuries!
- Villa Marco de Covas is a delight! It is romantic, retains its warmth and history yet is now rural chic at its best!
- The swimming pool and gardens are lovely with deluxe outdoor furnishings and splendid views
- The villa is next door to another of Oliver's Travels villas, Villa Correxins (<https://www.oliverstravels.com/spain/galicia/villa-correxins/>); both enjoy separate gardens, pools, and entrances, but can be rented together

## What you should know...

- The villa offers just one special bedroom though there is a sofa bed in the living area
