Surrounded by olive trees and far away from the action, you could easily spend the whole break in this rural paradise very happily! But tear yourself away from the stunning villa and discover the island of Corfu.

Right here on your doorstep is Spartilas, an exclusive area offering you all kinds of amenities to make your day-to-day just that bit easier! And only a few minutes away is the main village of Barbati, with a bigger choice of eateries and shops. You're also only 15 minutes from Barbati beach, one of Corfu's most scenic, with fantastic views across the sea and over to Corfu Town!

Look left to admire where the incredible Albanian coastline meets with the Greek mainland over the stunning Ionian Sea. Meanwhile, the view to the right is the incredible Corfu town, a historically fascinating site of battles and subsequent restorations, with impressive fortifications! Its complex history and architecture has seen the Old Town awarded UNESCO World Heritage site status, and you'll see why when you visit! In these impressive structures there are still traces of the Venetian occupation, including the Old Citadel and the New Fort. But many years of restoration, periodically, have given it an altogether more interesting appearance, with clear British influence and a real mixture of styles from across the 19th and 20th centuries.

If it's more sun, sea and sand you're after, head to any of the incredible beaches on your doorstep! The local Ipsos beach, with world-famous parasailing, fun inflatables for the kids and plenty of life, is under 15 minutes away. While there are countless more unmissable spots along the coast.

For some real culinary delights, be sure to tuck into some

of the classic Greek cuisine while you're here, including the local speciality of plums, which you will find in abundance across the island, and are included in foods ranging from sweets to pork! Feta and olive oil are also universal, while all kinds of fresh fish, fragrant herbs, in-season fruits and crunchy greens, all found in the back garden of the average Greek, await your enjoyment. The food of Greece is famous for its rich flavours and delicate recipes of Mediterranean delights, and Corfu is no different!
