If you're like us, you binged Bridgerton on Netflix the moment it came out: the opulence, the fashion, the drama, and the promise of escapism to a world full of glamorous balls and beautiful people was too much to resist! Well, we've brought the world of the Bridgerton's and Featherington's to life with our brand new and exclusive Bridgerton Experience; live the regal lifestyle in the picturesque setting of Norfolk.

This luxury package includes a stay at the grand Inglethorpe Hall, which you'll have all to yourself; the lavish property boasts nine bedrooms, six bathrooms and can sleep up to twenty guests.

Dating back to the 1700s the historic hall sits in the heart of thirty acres of private grounds, while indoors you'll find an exquisite sitting area, a large formal dining room, luxe bathrooms with standalone bathtubs, and four-poster beds in elegantly decorated bedrooms.

As well as offering the chance to stay in this fabulous Grade II listed country house, our Bridgerton Experience is packed full of special touches and activities fit for a Duke and Duchess.

Firstly, each morning you can expect to receive your very own newsletter, in the style of the show's legendary Lady Whistledown, outlining the plans for your stay.

You'll also have **your own private chef and maid** within the property to take care of you throughout the duration of your 2-night stay, including breakfast provided each morning.

Day one

On the first day of your stay, enjoy a delightful walk around the property's private gardens and indulge in an **outdoor picnic within the picturesque grounds**, featuring traditional treats of tea, cake and sandwiches.

Then work on your flower arranging skills, with a **private floristry workshop** at the property teaching you how to create beautiful bouquets to adorn your home.

That night, make like the more rebellious ladies of Bridgerton with a **casino night** hosted in the property—sure to be a delightful night of drinking and debauchery!

Day two

The following day **enjoy a magical horse and carriage ride** around the local area, before **an extravagant ball** in the hall later that evening, featuring live entertainment and canapes galore. Maybe you can even request some classical versions of modern-day songs, just like the show?!

Of course you'll want to look your finest for the ball and as such **a ballgown and/or tux** will be provided in your bedroom, alongside a lady's maid on-hand to style the ladies' hair and make-up.

On the final day of your stay, tuck into **a delightful afternoon tea** in the property's splendid dining area.

Throughout your stay you also have the option of whiling away **an afternoon reading classic literature**, which will be provided in the property.

The Bridgerton Experience costs from £1,750 per person for a 2-night stay based on 6 people sharing, larger groups will need to enquire.

The package is available to book now with stays taking place when possible and in line with UK travel restrictions at the time of stay. Our Book with Confidence (<https://typo3.oliverstravels.dev/2267>) policy provides flexible options in line with the Covid-19 restrictions.
