Location & Local Information

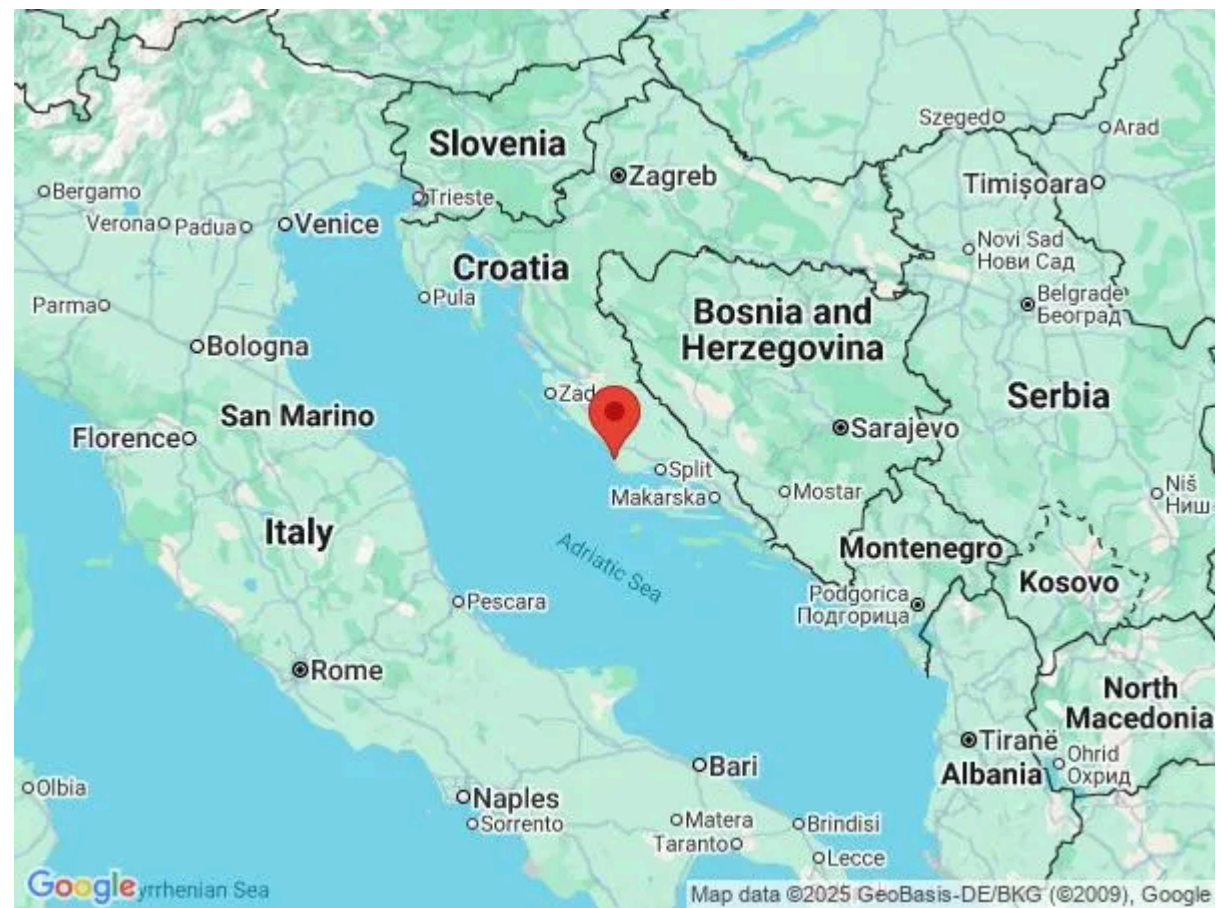

Dalmatia, Croatia, has fast become known as THE high-end tourist destination in recent years thanks to its stunning landscapes, picturesque towns and beautiful, secluded coves and beaches. All of this makes it the ideal location for those wanting a peaceful and relaxing holiday.

Galene Apartment is part of a luxurious and exclusive residential resort - the only one of its kind along the Adriatic Coast. Located in the picturesque town of Primosten, which is famous for being one of the most attractive destinations on the Adriatic, this charming area won't fail to impress. In Primosten you'll find the perfect blend of past and present, with its narrow paved streets, old stone houses, and churches nestled alongside its promenade, fine-dining restaurants, cosy taverns and classy cocktail bars.

Once an island, but linked to the mainland since the 16th century, the former fishing town of Primosten is now primarily known as a holiday resort, catering to those who are after peace, beauty and relaxation. It provides the perfect 'base' for your Croatian holiday, with easy access to the other towns, cities and sights that Dalmatia has to offer - yet still has plenty to enjoy as a destination in its own right.

You'll be able to spend your time walking through the pretty streets and taking in the stunning local architecture - including the 15th century, white stone Church of St George along with its belltower and cemetery, and the equally impressive Our Lady of Loretto statue - a 17 metre shrine to the Virgin Mary which is located on Gaj Hill above Primosten and offers incredible views of the town.

If you've come for the beaches, you won't be disappointed; especially when you discover the town's famous Raduca beach. This pretty pebbled beach offers breathtaking views of the Primosten peninsula, and is popular with families with young children thanks to its shallow waters, excellent nearby parking and easy access.

When it comes to places to eat and drink in the town of primosten, you'll be spoilt for choice. From the Santa Marina that offers a variety of traditional Dalmatian dishes including Peka (meat and vegetables cooked over hot coals), and Pasticada (a beef stew dish), as well as a good selection of fish dishes....to Mediteran Restaurant in the centre of town, which has an excellent menu including fresh seafood and steaks as well as offering a fantastic selection of wines.

What you should know...

- Galene Apartment is a top floor apartment, so maybe not suitable for those with very young children or those who have mobility issues.
- The closest beaches are pebbled, not sand - although sandy beaches can be found just a short car or bus journey away.
- There is an excellent, regular bus service for those who want to travel into nearby Sibenik or Split - so car hire isn't a necessity.
