

Villa Beryl

Region: Mykonos **Sleeps:** 6

Overview

Villa Beryl is a sugar-cubed dazzling white wonder with three bedrooms and beautiful entertainment spaces. This delightful villa is located between Ornos and St. John on the westerly peninsula of Mykonos. Just 3.5 km from Mykonos Town and with beautiful views of the town's windmills, Villa Beryl offers the best of both worlds, a tranquil haven but within very easy distance of the party capital and party beaches.

Ornos' sand and pebble beach offers a few charming tavernas and bars together with a small stone harbour. Daily boat and yacht services travel from Ornos to explore the island's stunning coastline and the neighbouring island of Delos. There are also fishing trips on offer. Just along the south coast are the sensational beaches of Psarou, Paraga, Paradise and Super Paradise. Just north of Ornos Beach is Paralia Korfos.

Villa Beryl is ideal for a family or a group of friends. With minimalist decor, the villa radiates elegance and calm. The architecture is typical Mykonian with lots of curved edges, painted beamed ceilings and dazzling white walls. The furnishings are superbly comfortable and very stylish. All of the furniture and soft furnishings are neutral in colour scheme. The living space is open plan in design and enjoys a feature fireplace. Soft white floaty curtains decorate the windows and doors. Doors open from the dining area to the gorgeous terrace. The modern kitchen will please the chef in your group.

The three bedrooms are all on the first floor. There are two excellent stylish masters, both with immaculate en-suite bathrooms and balcony or terrace access. The last bedroom is a spacious twin. The natural hues are either greys or beige and cream tones.

Outside, the terrace is very smart with a fabulous swimming pool which is surrounded by sumptuous trendy lounge chairs. A beautiful covered stone alfresco dining area sits next to the pool where you can enjoy pre-dinner drinks, barbecues and family games. It is a beautiful spot that looks even more lovely with the night time ambient lighting.

Location & Local Information

Ornos is a lovely area. It is peaceful and pretty with a charming harbour. It is very close to Paraga Beach, Paradise Beach and Mykonos Town. Visitors enjoy taking a boat over to the island of Delos which takes approximately 20 to 30 minutes.

Mykonos is a gorgeous island with 25 spectacular beaches, much photographed sunsets, picturesque whitewashed villages and fabulous monasteries, churches and chapels. The famous beaches of Paradise and Paraga have established Mykonos as a trendy, cosmopolitan party destination. Paraga Beach boasts gorgeous silvery sand, a natural diving platform formed of rocks, sun beds and parasols and trendy beach bars. The award-winning Paradise Beach Club has been around for 50 years and offers a buzzy party scene. It attracts famous DJ's from all over the world.

Ano Mera is a delightful shopping, dining and cultural destination. It boasts many quaint shops and cafes spilling out onto the cobbled pavements and many ancient, fascinating buildings. It is especially popular for Sunday brunch and the fresh produce market where you can buy local cheeses. Delicious Greek pastries can be bought in the bakery. The beautiful Byzantine Panagia Tourlaina Monastery was originally founded in 1580 and is fronted by an ornate bell tower with triple bells. Its massive alter screen was made in 1775 by Florentine artists and the carved marble and wood, frescoes, crystal chandeliers and gilded pulpit are all extremely impressive. The monastery is open by appointment.

The Vioma Organic Farm and Vineyard is very interesting to visit where you can take a tour along to the sounds of classical music. The vineyard produces red, white and naturally sweet red wine. There are also 20 beehives producing pure honey, organic seasonal vegetables grown, bread baked in the traditional wood oven and dogs, cats, chickens, turkeys, rabbits and the donkey called Marika are all part of the farm's family. You can taste the

wines and many other traditional products such as xynotiro, a hard sour cheese, tyrovolia, a fresh sour cheese, kopanisti, a spicy cheese and louza, a ham similar to proscuitto. For desert, you can taste the Mykonian amygdaloto, a sweet made of almonds and rose water.

Mykonos Town is an enchanting warren of narrow lanes covered in bougainvillea. Lined with picturesque churches, quirky art galleries, chic boutiques, jewellery shops and charming restaurants, visitors love an afternoon meander. The town's museums, the Archaeological Museum and the Aegean Maritime Museum, are interesting.
