# Location & Local Information

Pollensa has everything you need for a wonderful holiday, situated inland from some of Mallorca's finest beaches. The town itself centres around beautiful cobble streets leading to a traditional church. Wander the streets that lead to the famous church and discover traditional outlets selling a range of local food and arts. With a very popular Sunday morning market, definitely worth a visit, you will find all the local produce on sale. The famous Calvari steps provide the best view of the local area but be warned that to get to the top you must climb 365 steps, however it is worth it once you are at the top.

Puerto Pollença has some beautiful beaches, and at some of them you'll find water sports available. This family-friendly and laid-back location in Mallorca has some lovely restaurants and activities ready for the family to experience and enjoy. The warm summer evenings are ideal for taking strolls along the pedestrianised promenades along the front which lead towards the famous Pine Walk 1.9km. With the use of public transport, you'll be able to explore the nearby locations and find even more for the whole family to experience.
