# Location & Local Information

Tucked between Krabi and Phuket, the iconic twin islands of Koh Yao Yai and Koh Yao Noi are some of the most famous landmarks of Thailand – and with a stay in Studio Paradise, you'll be right on the hillside of one of them!

While the resort enjoys its own private beach, if you fancy getting a little further afield, just a short but exhilarating speedboat trip away are some true tropical paradises, including the famous beach of 'The Beach' on the magical Phi Phi Islands! The Phang Nga Bay is undoubtedly a highlight for tranquillity and a calmer retreat from the more touristy areas.

Our on-site tour desk would be delighted to arrange excursions to the surrounding islands, including the famous James Bond Island! We also offer a shuttle service into the village, where you can hire a bike or motorbike to take you around this superb little island. With rice paddies and quaint markets all across it, it's a fabulous place to explore!

And for those simply looking to be pampered, soak up the sunshine and indulge in a little 'me time' there are plenty of spas, massage parlours and golden beaches to get in a little self-care and relaxation!

The journey from Phuket Airport involves a 15-minute drive to catch a 60-minute boat ride, followed by a memorable 30-minute drive across the island! Alternatively, guests arriving from Krabi can enjoy a 40-minute long-tail boat ride. Alternatively, private transfers can be arranged with our staff!
