# Location & Local Information

Grenada is a beautiful Caribbean island measuring just 12 miles wide and 21 miles long. Its dramatic volcanic landscape rises to over 2,750 feet at Mount St Catherine and is filled with lush rainforests, crater lakes, waterfalls, coral reefs and breathtaking sandy beaches. Along with the smaller islands of Carriacou and Petit Martinique, Grenada forms a stunning trio in the Eastern Caribbean, with regular ferries connecting them. Known as the “Spice Isle”, Grenada is famous for its production of nutmeg, cinnamon, mace, ginger and cloves, and the fragrant scent of spices often fills the air.

Visitors can explore a wide range of attractions including Belmont Estate, Rivers Antoine Rum Distillery and the Nutmeg Processing Cooperative in Gouyave, where traditional production methods can still be seen. Molinere Bay is home to a remarkable underwater sculpture park created by British artist Jason de Caires Taylor, featuring more than 80 life size sculptures that have become part of the reef ecosystem.

Grenada’s lush interior also offers rewarding adventures. Popular highlights include Grand Etang National Park, Annandale Falls and the Seven Sisters Waterfalls. In the capital, St George’s, colourful markets, historic forts and beautiful views create one of the Caribbean’s most charming towns.
