Location & Local Information

Grenada is a breathtaking Caribbean island measuring just 21 miles long and 12 miles wide. Known as the “Spice Isle,” it is famous for its fragrant nutmeg, cinnamon, cloves, ginger and mace, which fill the air with their distinctive scent. Grenada, along with its sister islands Carriacou and Petit Martinique, offers visitors a beautiful blend of mountainous landscapes, rainforests, waterfalls, crater lakes and pristine sandy beaches. Outdoor enthusiasts can enjoy hiking in national parks, watersports, sailing, fishing and relaxing beach days, while the island’s lively culture is reflected in its music, markets and cuisine.

Grenada also offers a wide variety of fascinating attractions. Visitors can explore Belmont Estate to learn about traditional chocolate production or tour the historic River Antoine Rum Distillery, which has been producing rum since 1785. The Nutmeg Processing Cooperative in Gouyave provides insight into one of the island’s most important industries. The Molinere Underwater Sculpture Park, created by artist Jason de Caires Taylor, is a unique underwater gallery featuring life sized sculptures that have become home to marine life.

The island’s lush interior is equally captivating, with highlights including Annandale Falls, Concorde Falls and the beautiful Seven Sisters Waterfalls. Hikers can venture to Mount Qua Qua or even tackle Mount St Catherine, Grenada’s highest peak. In the capital, St George’s, colourful markets, historic forts and the picturesque Carenage harbour create a vibrant atmosphere, while nearby Grand Anse Beach offers soft white sand, calm waters and excellent local shopping.
