Location & Local Information

Grenada is a beautiful Caribbean island measuring just 12 miles wide and 21 miles long. Known as the “Spice Isle”, it is famous for its fragrant nutmeg, cinnamon, ginger and cloves, which can often be smelled in the warm island air. The island features dramatic volcanic mountains, lush rainforests, waterfalls, crater lakes and spectacular sandy beaches, with Mount St Catherine rising to over 2,750 feet. Grenada forms part of a trio of islands alongside Carriacou and Petit Martinique, which can be reached by ferry.

Visitors can enjoy hiking through national parks, watersports, sailing, fishing and relaxing beach days. Popular attractions include Belmont Estate for chocolate tours, River Antoine Rum Distillery, and the fascinating Nutmeg Processing Cooperative in Gouyave. The Molinere Underwater Sculpture Park, created by artist Jason de Caires Taylor, offers a unique snorkeling and diving experience among life size sculptures that have become part of the reef.

Grenada’s lush interior is also well worth exploring, with scenic hikes to Annandale Falls, Concorde Falls and Seven Sisters Waterfall. In the capital, St George’s, visitors can wander colourful markets, shop for local crafts and spices, and enjoy wonderful views from historic Fort George overlooking the harbour.
