Overview

It won't take long to settle into this gleaming white villa handily located close to a sandy beach and marina. Located on the southern coast of Grenada, it forms part of a boutique, private residence club and offers guests comfort and exclusivity.

Inside, Villa Will boasts three spacious bedrooms, three bathrooms, contemporary design and stylish, bespoke furniture. The front bedrooms offer uninterrupted views of the turquoise waters of Benji Bay which means you can start each day breathing in the scent of tropical plants while watching the yachts bopping on the water.

Ideally suited for families or groups, the main living space is awash with natural light and includes a neatly arranged dining area so mealtimes can be a sociable affair. The flat-screen TV, and soft furnishings in the lounge will also make you feel right at home. Whitewashed walls and neutral tones create a tranquil ambience but best of all are the floor-to-ceiling glass doors that open out onto a covered terrace. Dotted with furniture, it's the perfect spot for sipping something cool or enjoying a meal al fresco from the (indoor or outdoor) kitchen.

During the day soak up the sun on a sun lounger, take a dip in the infinity pool or feel the sand between your toes on the nearby beach. There's also an on-site gym for the more active, plus a yoga pavilion and wellness centre with an array of treatments on offer.

Villa Will is the ultimate place to unwind and has all the conveniences of a resort with 24-hour security, a concierge service and two large community pools.

It's also perfectly placed for exploring the island. Families with older children will love trekking through the rainforest

of Seven Sisters Waterfalls, snorkelling in the crystal clear waters of Grand Anse beach or discovering the Underwater Sculpture Park off the Molinere Bay.

You can reach the city's capital, St George, in only 20-minutes. Shop for spices at the markets and discover the delights of Grenadian food at the local eateries. After a day exploring, make sure you stop at the city's sweetest destination, House of Chocolate, and sample some of the finest treats in the world.

Location & Local Information

Villa Will at Petite Calivigny Residence Club is part of a gated community located on an 11-acre property, overlooking the clear waters of Benji Bay. The villa is also only a short drive to the lovely Egmont Beach, and offers guests use of non-motorised water sport equipment. Guests can also make use of the resort's facilities which include two large community pools, a well-equipped gym, a wellness centre, yoga pavilion and bar.

It's a 20-minute drive to the city's capital, St George, which can be easily reached from the villa by public transport or car. This beautiful seaside town with its brightly painted houses and lively harbour has a rich past, and is a must for history enthusiasts. There are several forts (which offer spectacular views) and museums that offer a peek into the island's history.

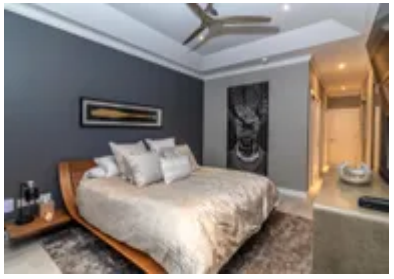

There are 45 beaches to choose from on the island but Grand Anse Beach is the most famous. It's a 3km stretch of sandy, white beach, and the whole family can enjoy snorkelling, kayaking, boat trips and swimming in the crystal clear waters. Numerous bars and restaurants dotted along the beach offer a break from the activities.

Nature-lovers should visit the Grand Etang Forest Reserve, a short drive from St George's. It's home to some incredible wildlife and numerous hiking trails. Encounter Mona monkeys, armadillos and mockingbirds as you trek through the rainforest of Seven Sisters Waterfalls.

Food enthusiasts should head to the quaint fishing village of Gouyave. Every Friday the village hosts its famous Gouyave Fish Friday event. Make sure to sample delicious grilled fish, shrimp kebabs and lobster. Beyond the food, it's a great way to experience local culture and live music.

Affectionately known as Spice Island, if you want to learn more about the island's rich flavours, head to the Belmont Estate in St Patrick, an hour's drive from St George. Soak up the smells of turmeric, ginger and nutmeg at this 300-year old plantation. Learn how spices are processed, stroll

through the property's beautiful gardens and afterwards sample some aromatic delights at the Estate's restaurant.

But if you want to escape Grenada for the day, take the 90-minute ferry journey to Carriacou or Petit Martinique. Located north of Grenada, these islands are smaller in size, but offer plenty of beautiful beaches and unspoiled scenery.
