With three floors and ten bedrooms that can sleep up to twenty people, Casa Lagos is the perfect place for large groups to enjoy an unforgettable holiday together.

This trendy modern villa offers plenty of space for groups, giving it a truly exclusive feel. From the moment you arrive, you'll notice how open and welcoming the entire space is with every comfort taken to help you make Casa Lagos truly feel like your home away from home.

If you're considering renting a car for your stay, Casa Lagos has eight outdoor car parking spaces and is fully gated for security.

Entering at ground level, you'll find a fully-equipped private gym and massage room, a laundry room with a toilet and three twin bedrooms, all with a private en-suite bathroom. The first floor contains your main living space along with two more twin bedrooms. Ample space is available within Casa Lagos's communal rooms, making it hard to feel crowded even with the maximum number of guests.

A large living room with multiple seating areas features a TV and pool table for your entertainment. Besides the living room is an open-plan kitchen and dining area which can seat all your guests. A fully-equipped modern kitchen is yours to use as little or often as you'd like during your stay. Leading out from the kitchen is a home bar and relaxation area, which then also leads to a beautiful outdoor terrace complete with lounge furniture and two large dining tables.

You'll find the upper floor of Casa Lagos dedicated solely to sleeping quarters, with the final five bedrooms located here. On this floor, four bedrooms have twin beds, and one features a king-size bed, while all feature a private en-suite bathroom. Across all levels, each bedroom has a balcony or terrace, an LCD TV, a minibar and security safe.

Outside, Casa Lagos offers spectacular views over the surrounding landscape and a large private garden. Your swimming pool has been specially designed to blend in with the garden's landscaping. Slightly above the swimming pool is a raised terrace with sunbeds, perfect for drying off under the sun. A private hot tub is also located just a few steps away from the swimming pool. On the opposite side of the garden, you'll find a garden hut complete with a toilet, two showers and a sauna.

You'll also enjoy the care of Casa Lagos staff, who visit daily to clean your bedrooms bathrooms and provide a linen and towel change.

Location & Local Information

Casa Lagos is ideally located just ten minutes northwest of the popular Algarve town of Lagos. Your villa is about an hour's drive from Faro Airport and is well-served by its nearby road links should you wish to drive to the property as part of a wider holiday.

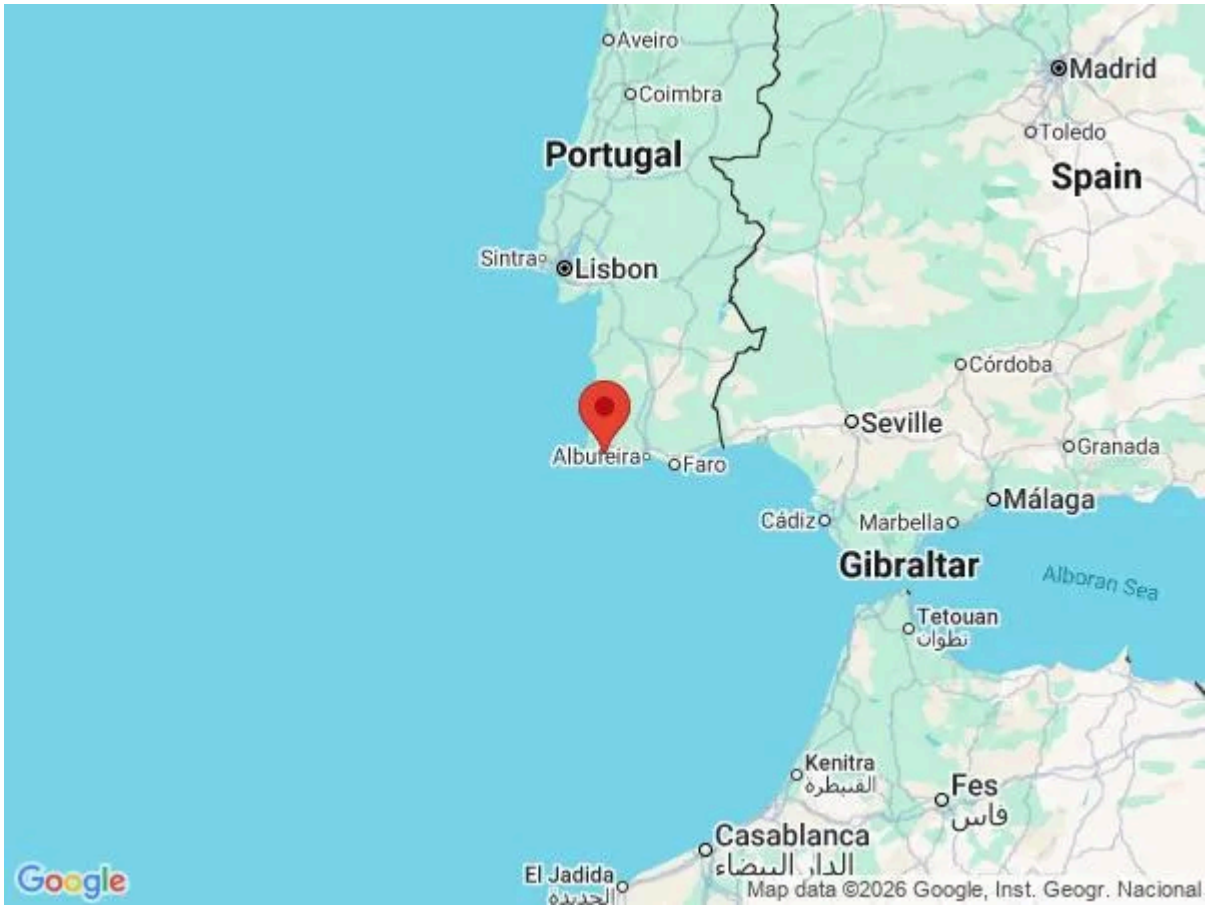

Your nearest beaches are the beautifully sandy Praia de Sao Roque and Praia de Porto Mos, both about a ten-minute drive away from the villa. Both beaches are relatively quiet, with limited amenities nearby. Another popular spot nearby is Praia da Luz which is popular with holidaymakers across Europe. For activities like shopping, dining and drinking, you're best served by heading into Lagos, the main social centre for the area.

You'll also find many amenities and services in Lagos, such as supermarkets to stock up on groceries and pharmacists should you need one.

Getting around from Casa Lagos is relatively simple, but the area can be a bit steep at times, so we do recommend renting a car for your stay if any members of your party are less mobile. Thanks to your proximity to Lagos, taxis are regularly available for getting to and from the beach and town; however, you'll find a car significantly more convenient, especially if travelling as part of a larger group.
