Location & Local Information

Casa Rubiaes is surrounded by nature on a fabulous 210 acre wine estate in the Minho hills, just fifteen minutes from the old Roman town of Ponte de Lima and twenty five minutes from Viana do Castelo. This region of the Minho offers wonderful activities including the Ecovia cycling route, kayaking along the Lima River, river bathing in Labruja, mountain biking or hiking in the Serra D'Arga and birdwatching in the Lagoas de Bertiandos.

Ponte de Lima is one of Portugal's oldest towns which enjoys an atmospheric ambience and offers a wonderful cultural experience. The Ponte de Lima Bridge is 277 metres long, stretching over the beautiful Lima River. The Romans built the first five arches and it was then fortified and extended by fifteen arches during the medieval period. Ponte de Lima boasts two magnificent churches, Igreja da Misericordia and Igreja de Santo Antonio which sits across the river with its baroque styling. Largo de Camoes Plaza is the town's bustling square with wonderful views of the Lima River and a good array of cafes, bars and restaurants. Ponte de Lima is the home of the famous vinho verde wine so you will certainly enjoy this in the square. Torre da Cadeia Velha is a tower which is part of the old Ponte de Lima wall. It is used for exhibitions and tourist shops. Ponte de Lima sits in glorious countryside with fabulous viewpoints. These include Miradouro of Saint Catarina which offers views of the river, Miradouro of Magdalene which enjoys views over the town and surrounding landscape and Miradouro of Bola da Pena which enjoys 360-degree views of the entire area. The gastronomy in the town is amazing with excellent local Portuguese dishes. Some restaurants enjoy gorgeous riverside settings.

Viana do Castelo is one of Portugal's many hidden gems. It boasts 19th century boulevards, narrow lanes lined with splendid Manueline houses, spacious plazas, beautiful churches, a gorgeous riverfront, excellent restaurants and cafes and its hill-perched giant 1909 basilica Santa Luzia Church. You can reach the basilica by climbing the steps, taking the car or riding the funicular. From the top, visitors

delight in a gob-smacking view over the town, rated the world's third most beautiful panorama by the National Geographic Magazine. The town also boasts St Mary the Great's Cathedral built in the fifteenth century. As well as offering architectural grandeur, Viana do Castelo also offers seaside charm. A little ferry takes you to the magnificent Cabadelo Beach where you can kite surf, bask in the Portuguese sunshine and wander along the wooden promenade.

Other wonderful Minho beaches include Vila Praia de Ancora, Praia de Moledo and Caminha's Foz do Minho Beach next to the River Minho. Visitors also enjoy kayaking in the Minho and Lima rivers.

The gorgeous town of Caminha boasts the ancient Torre do Relogio de Caminha, the clock tower which forms part of the old city walls built in the 12th century and is a national monument. You can climb to the top of the tower to enjoy fabulous views of the town. The Rua Direita or Ricardo Joaquim de Sousa Street is the cobbled main street in the historic centre. Another historic monument is the Igreja Matriz de Caminha where you can admire tiles from the 17th century. Visitors can take a ferry over to Galicia from Caminha.
