Overview

With luxury etched into the very fabric of its traditional Thai architecture and lovingly decorated throughout in bright welcoming whites accented by dramatic rich woods, staying at Boutique Villa VII will make you truly feel like the king of the castle.

Located on a highly-sought after resort located in the quiet hillside of east Phuket, Boutique Resort is surrounded on all sides by luscious plant life which it expertly weaves throughout its properties to create a natural privacy curtain for each villa.

On arrival, you'll notice the grand tropical trees surrounding your villa, keeping the area around you tranquil and calm. A large garden greets you at the front, wrapping around to the back of the villa where you'll find your private swimming pool.

This magnificent seven-bedroom property is split across two levels, with all living areas and some bedrooms located on the villa's entry level for ease of access. Your communal area is split into two wings connected by a corridor; one area being for dining and the other a lounge for relaxing.

Boutique Villa VII comes with a fully-equipped modern kitchen which is yours to use as little or as often as you like during your stay, with a casual breakfast bar and small table for light bites and a large dining table for group meals. In the villa's garden, a fourth dining space exists for taking meals outdoors.

Down the corridor, a family lounge and games room features large comfortable furniture, a widescreen satellite TV and a pool table for your leisure.

Seven similarly decorated bedrooms are yours to choose from, each with beautiful views of the pool or gardens. Inside the bedrooms are either a king size bed or two twin beds, which can be pushed together to form a double if you'd like to share. Bedrooms are spacious and feature their own satellite TV, clothes organisers, a security safe and a private en-suite bathroom.

Your swimming pool is located directly behind the residence, where you can laze the days away in the water or tanning on your villa's sun loungers. The large swimming pool can comfortably accommodate all residents of Boutique Villa VII, should you wish to play pool games as a group.

Around Boutique Resort, you can make full use of the resort's amenities which include a fully-equipped gym, a spa and wellness centre and a handful of on-site shops offering souvenirs and daily necessities. For nights you don't feel like cooking, the delicious Kin-Dee restaurant is located on-site, dishing up a selection of Thai classics and international favourites.

Location & Local Information

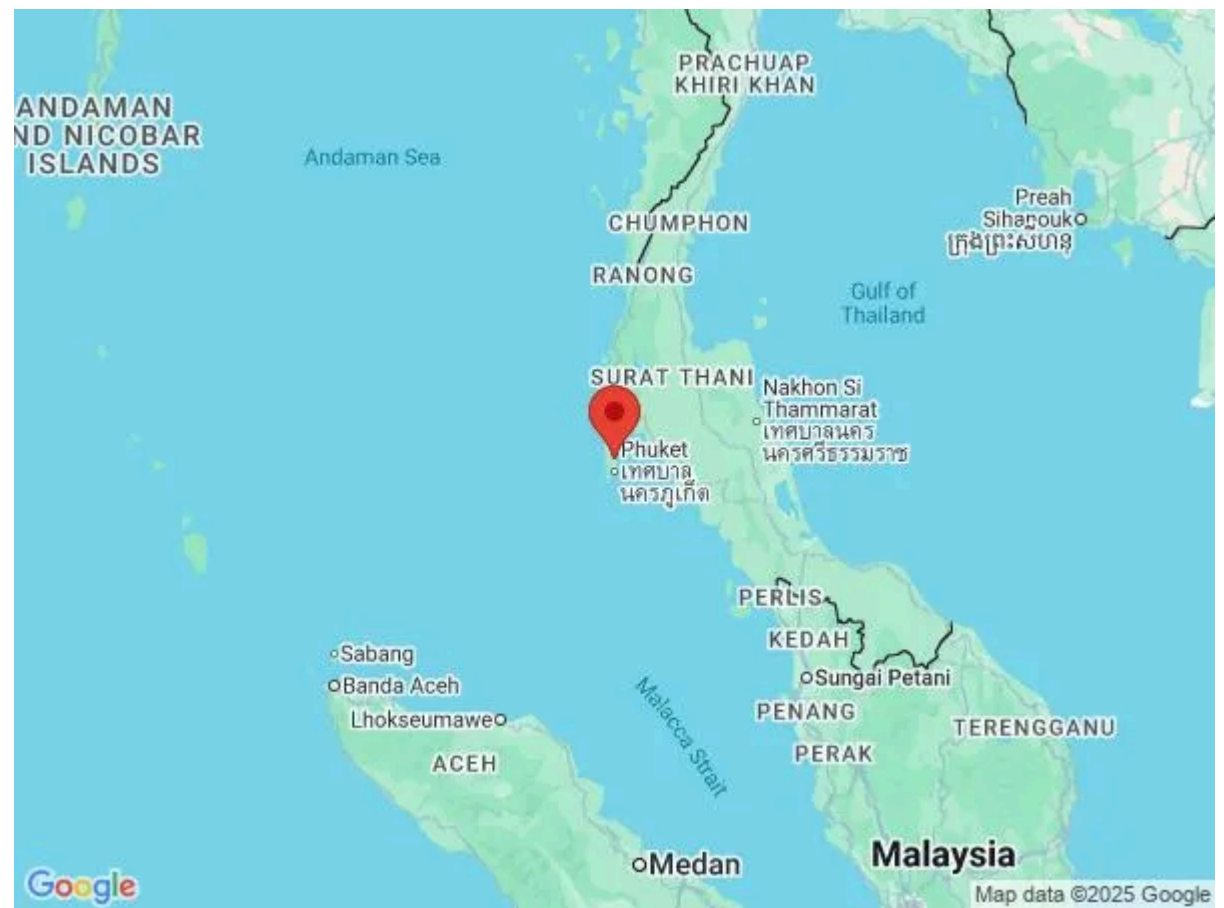

Boutique Villa VII is located on the idyllic Boutique Resort on Phuket's east coast. When you arrive on the island, your villa is only a short 30 minute drive away, making the final leg of your long journey easy. When you arrive, there's no need to stress finding taxis or renting a car to get you from airport to villa as Boutique Resort provides a VIP airport transfer service for its guests. Just let them know in advance that you'll require a transfer from the airport and the friendly resort staff will take care of the rest.

At the resort, your nearest beach is about 10 minutes away by car but be aware that this is a very small beach with a humble beach bar on its shoreline. Your nearest village is located just beyond the property, offering a small number of bars and restaurants to try.

The most practical beach, and accompanying settlement, is Nai Yang Beach which is located 30 minutes to the west of your resort. This popular beach is beloved by visitors from all over the world and Boutique Resort makes it super easy to get to, especially if travelling as a large group with children. Every day, Boutique Resort provides its guests with a complimentary beach shuttle which will take you straight to Nai Yang Beach and then take you home again. At Nai Yang, you can sunbathe on gorgeous white sands and kids will love splashing around in Phuket's crystal clear waters.

Making your own arrangements to explore the island is really easy from Boutique Villa VII. Vehicle rental, like cars and motorcycle, can be arranged with the resort's staff. Each residence receives complimentary short-term use of vehicles; 4 hours every two days for motorcycles and 4 hours every three days for a car. If you think you'll need a vehicle longer than four hours, just let the staff know and they can arrange for a full day's rental for a small charge.
