## Location & Local Information

Cupido Terrace enjoys a central location in the grand city of Rome just a few strides away from the world-famous Spanish steps.

The apartment can be found on the fifth floor of an annexe building whilst the communal breakfast buffet is served in the main building around the corner. Step out of the entrance hall and you are surrounded by high-end designer shops and the charming bustle of Piazza di Spagna with its beautiful baroque fountain, Fontana della Barcaccia. Climb the famous steps as you look up to the incredible Trinità dei Monti in this breathtaking part of Rome.

The neighbourhood is a fine place to stay, not just because of the tourist sights and upmarket boutiques but also for its little art galleries, restaurants, museums and narrow pedestrianised lanes with grand shuttered buildings.

Stroll ten minutes to the Trevi fountain, visit the Pantheon or wander across to the Tiber river with its boat trips and ancient bridges including Ponte Fabrizio. Discover Rome's authentic neighbourhoods such as Trastevere with its cobbled lanes, markets, squares and the amazing Basilica di Santa Maria.

Spend time in some of Rome's impressive green spaces including the romantic Villa Borghese gardens, just a 10-minute walk away, where you can explore the many hectares of parkland and hire rowing boats on the pretty lake. Take a tour of the Vatican Gardens, dating as far back as the 6th century, combined with a visit to St. Peter's Basilica of course.

The Colosseum is of course one of the main highlights of Rome and experience the heart of the ancient Roman empire as you wander around the incredible Forum Romanum.

If you feel like a day away from the city buzz, hire a car or

take the train to Orvieto, a stunning medieval town in the Umbrian hills with a magnificent cathedral and excellent wines. Alternatively, the UNESCO World Heritage site of Villa d’Este in Tivoli is a Renaissance masterpiece with the most exquisite Italian gardens.
