Location & Local Information

Villa Queimosa enjoys a lovely spot in the peaceful village of Chafe, very close to the mesmerising Viana do Castelo. The pearly white, neo-Byzantine Santa Luzia Church presides over the city, sitting high on the hilltop. Viana do Castelo's compact historic centre boasts extravagant religious buildings, delightful cafes, elegant plazas and narrow shopping streets which open onto the banks of the Rio Lima.

Villa Queimosa enjoys a region of outstanding natural beauty with wild beaches, lush forested hills and slow flowing rivers. It is a farming region where the famous 'vinho verde' is produced. Ponte de Lima is one of the most characterful and picturesque towns of Northern Portugal, on the southern banks of the Lima River. The location has been the main river crossing since the Romans constructed a bridge in 1AD. There is a delightful mix of ancient houses, grand religious buildings and pretty plazas. There are a number of interesting museums as well as colourful flower gardens and stunning natural scenery all around. The Ponte do Lima is an excellent centre for adventure activities such as the Ecovia cycling route, kayaking along the Lima River, mountain biking or hiking in the Serra D'Arga or birdwatching in the Lagoas de Bertiandos. You can river bathe in Labruja.

When staying at the villa, you shouldn't miss a trip to Braga. Braga is regarded as one the main religious centres of Portugal, with the oldest cathedral and many Gothic churches. Every hour you will hear a cocophony of different church bells ringing out! It is the third largest city of Portugal and is a joy to explore. Braga is an enthralling university city and the setting for Bom Jesus do Monte, a fine monument. The historic centre is fully pedestrianised. There are pretty city gardens, charming plazas and busy shopping streets.

If you decide to take a trip into Galicia being that you are so close, then Tui is an absolute delight. It boasts a beautiful historic centre and an excellent range of gourmet dining as well as excellent shops. Tui is located south of

the Pontevedra province and sits on the edge of the Minho River, opposite the Portuguese town of Valenca. The towns are connected by a nineteenth century bridge. Valenca do Minho is located on the hillside overlooking the left bank of the Minho and on the main road that links the Spanish Santiago de Compostela with Porto. Tourists flock to the town to buy embroidered tablecloths and sheets, the speciality of the town.
