

Villa Seahorse

Region: Holetown Sleeps: 6

Overview

Villa Seahorse is one of six luxury villas and can be found just off Gibbs Bay, each villa is scattered amongst an acre of well-kept gardens. Villa Seahorse is a three-bedroom holiday home that sits amongst this privileged location.

As you set foot in this idyllic villa, you will notice how the interior decoration seamlessly flows from room-to-room. If you're impressed with the *notion of continuity...or the ever turning wheel of life*, we think you'll find Villa Seahorse to be the experience of a lifetime! The living and dining area are almost attached to the outdoor gazebo, which is blessed with a stunning back drop. Feel free to whip up a meal in the fully equipped kitchen and enjoy it whilst watching the sun set.

You will find the first of the three en-suite bedrooms on the ground floor. This bedroom benefits from easy access directly to the gardens, so feel free to leave the doors open to allow the breeze roll off the Atlantic Ocean. Make the ascent upstairs and you find two further en-suite bedrooms, with kind beds. From both of these bedrooms you have delightful views of the communal areas and the skyline, so make sure to wake up early to catch the sun rise. Each bedroom has been fitted with an air-conditioning unit for your comfort.

Villa Seahorse is a real winner amongst the outdoors type, as you are surrounded by a mini-topical Eden with the shoreline of the beach just minutes from the villa. Guests have the use of communal swimming pool, which is maintained every day.

At Villa Seahorse you and your guests have the disposal of some superb staff who are able to cook scrumptious meals or provide you with a laundry service.

Location & Local Information

When visiting Barbados, the first thing you are sure to notice are the gorgeous and renowned flat white sand beaches. On the west coast of Barbados, miles of coral shore beaches and fine white sands stretch along a hypnotising turquoise sea. The West Coast of Barbados is also fringed with countless breath-taking Coral Reefs to provide excellent snorkelling and scuba diving opportunities. The South Coast also offers something for everyone, and is a curious mixture of the Caribbean Sea and the Atlantic Ocean. Here you can swim in calm waters, snorkel over the inshore reefs and tidal pools, and at the southernmost tip of the island, you can windsurf.

Inland Barbados is delightful to explore, enchantingly quiet and rural, there are endless fields of sugar cane dotted with old plantation houses. Barbados has a rich and interesting history and has preserved and restored many of its historic buildings – you can visit a plantation house for a trip back in time, see the towering lighthouses that once led ships to safety, or explore the historic towns that are an important part of the island’s past and present.

Whilst on Barbados, a taste of the island’s rum is a must! The isle has been producing rum for over 350 years, and it is recognised internationally for its quality. Many tours and taste sessions are available at the local distilleries.
